

JLT Mobile Computers acquires French sales partner ID Work

With an own sales office JLT strengthens its local presence in the French market, which has grown to become one of the largest and most important regions in Europe for JLT

Växjö, Sweden, 8 Dec 2021 * * * **JLT Mobile Computers**, a leading supplier of reliable computers for demanding environments, today announced that they have signed the agreement to acquire of **ID Work**, their French sales partner with effect from January 2022.

Since its start in 2013 ID Work has successfully been driving sales in France through a country-wide network consisting of system integrators and resellers. Since then, the French market has grown to become one of JLT's largest and most important markets in Europe. JLT will be taking over the business and establish a local sales office with own personnel. Through the acquisition JLT will get closer to its customers and sales partners in France. The founder of ID Work, who is running the company today will have a continued involvement in JLT over the next couple of years.
