Ackermans & van Haaren finalises the sale of HPA to DomusVi

Today, Ackermans & van Haaren finalised the sale of its participation (71.72%) in HPA, the parent company of Residalya, to DomusVi. This transaction yields a cash proceed of approximately 165 million euros for AvH and a capital gain of approximately 105 million euros.

Residalya was founded in 2004 by Hervé Hardy and has since then risen to a top 10 player in the French market for private nursing homes, operating a network of 35 residences with a capacity of 2,630 beds and a nursery of 50 places.

AvH entered the share capital of Residalya, the operating company, in 2015 and has gradually increased its stake in the capital of the real estate company owning the property operated by Residalya. Both companies were regrouped in 2016 into one holding company, HPA, which has since then been controlled by Ackermans & van Haaren in partnership with Hervé Hardy and the management.

DomusVi was created in 1983 and is one of the European leaders in the field of elderly care. Ranking number 3 in the French private nursing home market, DomusVi is the leader in Spain and present in Portugal and Latin America.

Ackermans & van Haaren is a diversified group operating in 4 core sectors: Marine Engineering & Contracting (DEME, one of the largest dredging companies in the world - CFE, a construction group with headquarters in Belgium), Private Banking (Delen Private Bank, one of the largest independent private asset managers in Belgium, and asset manager JM Finn in the UK - Bank J. Van Breda & C°, niche bank for entrepreneurs and the liberal professions in Belgium), Real Estate & Senior Care (Leasinvest Real Estate, a listed real estate company - Extensa, a major land and real estate developer with a focus on Belgium and Luxembourg) and Energy & Resources (SIPEF, an agroindustrial group in tropical agriculture).

At an economic level, the AvH group represented in 2018 a turnover of 5.9 billion euros and employed 22.709 people through its share in the participations. The group focuses on a limited number of strategic participations with a significant potential for growth. AvH is listed on Euronext Brussels and is included in the BEL20 index, the Private Equity NXT index and the European DJ Stoxx 600 index.
