*Copenhagen, September 5, 2019* – Zealand Pharma A/S ("Zealand") (NASDAQ: ZEAL) (CVR-no. 20 04 50 78), a Copenhagen-based biotechnology company focused on the discovery and development of innovative peptide-based medicines, announces a private placement and directed share issue to Van Herk Investments B.V of 3,975,000 New Shares, each of a nominal value of DKK 1, at a subscription price of DKK 140.79 per New Share (the "Placement"). Zealand expects to receive gross proceeds from the Placement of approximately DKK 559.6 million.

Van Herk Investments is a long-term investor in biotech and had been the largest shareholder in Ablynx, which was sold to Sanofi for \$4.8 billion in 2018. More recently, Van Herk Investments increased their stake in a \$8 billion+ market cap drug developer Galapagos to 10%. Van Herk Investments has been among the top three shareholders of Zealand Pharma since early 2018.

The board of directors of Zealand has on 5 September 2019 in accordance with article 7.1 of Zealand's articles of association, exercised an authorization granted by Zealand's general meeting to increase Zealand's share capital and issue the New Shares.

The New Shares will be issued without pre-emption rights for Zealand's current shareholders and the New Shares will upon issuance rank *pari passu* with Zealand's existing shares and carry the same dividend and other rights. Each New Share carries one vote at Zealand's general meetings. Zealand only has one class of shares.

Payment of the subscription price is expected to take place no later than 10 September 2019 after which the capital increase will be registered with the Danish Business Authority.

Morgan Stanley & Co. LLC has acted as placing agent for the Placement.

Zealand intends to use the gross proceeds from the subscription together with its existing cash resources for the following purposes:

- Contribute to supporting discovery, research and development of the company's peptide platform,
- Support ongoing development of late stage assets, and
- Prepare for the launch of the company's first fully-owned asset.

The New Shares will be issued and registered with VP Securities and admitted to trading on Nasdaq Copenhagen under the ISIN code of Zealand's existing shares (ISIN code DK0060257814) once the subscription price has been paid and the new shares have been registered with the Danish Business Authority. Admission to trading of the New Shares is expected to take place on 11 September 2019.

Before the Placement, Zealand's share capital amounted to DKK 31,831,290. After completion of the Placement and issue of the New Shares, Zealand's share capital will amount to normally DKK 35,806,290, corresponding to 35,806,290 shares of DKK 1, nominal value, each.

Expected timetable for the capital increase:

10 September 2019	Registration of the New Shares with the Danish Business Authority as well as issue and registration of the new shares with VP Securities.
11 September 2019	Admittance to trading on Nasdaq Copenhagen of the New Shares.

The New Shares will be listed on Nasdaq Copenhagen in reliance on the exemption in article 1(5)a of the Prospectus Regulation and not on the basis of a prospectus.

This press release shall not constitute an offer to sell or the solicitation of an offer to buy, nor shall there be any sale of, these securities in any jurisdiction in which such offer, solicitation or sale would be unlawful prior to the registration or qualification under the securities laws of such state or jurisdiction.

The securities offered in the Placement will not be, and have not been, registered under the Securities Act of 1933, as amended (the "Act"), and may not be offered or sold in the United States absent a registration statement or an applicable exemption from the registration requirements under the Act.

### **Important information**
