

PRESS RELEASE

Share Buyback Transaction Details February 17 – 21, 2022

February 22, 2022 - Wolters Kluwer today reports that it has repurchased 47,776 of its own ordinary shares in the period from February 17, 2022, up to and including February 21, 2022, for €4.1 million and at an average share price of €86.77.

The previously disclosed third-party agreement to repurchase shares for €50 million during the period starting January 3, 2022, up to and including February 21, 2022, has hereby been fulfilled.

The cumulative amounts repurchased to date under this program are as follows:

Share Buyback 2022

Period	Cumulative shares repurchased in period	Total consideration (€ million)	Average share price (€)
2022 to date	548,019	50.0	91.24

Repurchased shares are added to and held as treasury shares and will be used for capital reduction purposes or to meet obligations arising from share-based incentive plans.

ir@wolterskluwer.com**Forward-looking Statements and Other Important Legal Information**

This report contains forward-looking statements. These statements may be identified by words such as “expect”, “should”, “could”, “shall” and similar expressions. Wolters Kluwer cautions that such forward-looking statements are qualified by certain risks and uncertainties that could cause actual results and events to differ materially from what is contemplated by the forward-looking statements. Factors which could cause actual results to differ from these forward-looking statements may include, without limitation, general economic conditions; conditions in the markets in which Wolters Kluwer is engaged; behavior of customers, suppliers, and competitors; technological developments; the implementation and execution of new ICT systems or outsourcing; and legal, tax, and regulatory rules affecting Wolters Kluwer’s businesses, as well as risks related to mergers, acquisitions, and divestments. In addition, financial risks such as currency movements, interest rate fluctuations, liquidity, and credit risks could influence future results. The foregoing list of factors should not be construed as exhaustive. Wolters Kluwer disclaims any intention or obligation to publicly update or revise any forward-looking statements, whether as a result of new information, future events or otherwise.

This press release contains information which is to be made publicly available under Regulation (EU) 596/2014.
