

## Jesper Eigen Møller takes over as chairman of the Board of directors

Jesper Eigen Møller has accepted the position as chairman of the Board of directors in Konsolidator taking over from lawyer Søren Ingerslev, who has decided to leave the Board of directors.

Jesper was elected to the board in November 2018 and has experience as chairman from Linkfire A/S and Brøndbyernes I.F. Fodbold A/S. Søren Ingerslev will leave the Board of directors of Konsolidator in order to free up time to focus on his newly assumed role as managing partner of Elmann Law Firm.

*"I have been a member of the Board of directors in Konsolidator since 2016 with the intention, among other things, to contribute in making Konsolidator mature in regards to regulatory requirements. Further, Konsolidator has reached the scale-up phase where commercialization is even more important for the company, and I believe with the election of Thomas á Porta and Claus Jul Christiansen, at the ordinary general meeting in March 2022, Konsolidator is in a good place to embark on this journey. With this in mind and the fact that assuming the role of managing partner of Elmann Lawfirm requires more of my time I have decided to leave the board of directors in Konsolidator", says Søren Ingerslev.*

Jesper Eigen Møller continues *"It has been a great pleasure to work with Søren since 2018. On behalf of the Board of directors and the executive management team I like to thank Søren for all his efforts and for his contribution to Konsolidator over the past 5-6 years. Konsolidator is ready to continue the scale-up journey as a listed company."*
