## Date of approval of the final consolidated financial statements for the year ending June 2021

In its press release of August 25, 2021 relating to the publication of the provisional annual results at the end of June 2021, Ramsay Santé indicated that the final consolidated financial statements for the year ended June 2021 would be approved by the Board of Directors at its meeting on September 23, 2021.

As the finalization of these financial statements and their review by the auditors will require additional time, it is now expected that the final consolidated financial statements for the year ended June 2021 will be approved by the Board of Directors at its meeting on October 20, 2021.
