## **About Logent Group**

*Logent is a comprehensive and independent logistics partner, with a Nordic base and with global networks. We have a wide range of services and create value for our customers through guaranteed cost and quality improvements. Our services include Logistics Services such as Warehouse Management, Transport Management and Customs, Port and Combined Terminals, Staffing Services and Consulting Services. This means that Logent has grown to a turnover of about SEK 2.2 billion from the start in 2006 and employs approximately 3,000 people.*
