
TRADING RESUMPTION

Solutions 30 has requested Euronext Paris to resume the listing of its share (FR0013379484) on the regulated market of Euronext Paris as from Tuesday 15 December 2020, at the opening of the trading.

Trading in Solutions 30 shares had been suspended on Friday 11 December at the opening, at the company's request, in the context of a campaign of destabilisation through the use of dishonest and unfair procedures.

This morning the group issued a press release announcing that it had notified the AMF and lodged a criminal complaint for dissemination of false and misleading information. The company has published the necessary responses on its website to put an end to all the suspicions that this information was intended to raise. <https://www.solutions30.com/transparency/>

In the same spirit, the Supervisory Board has appointed external experts, in line with the actions taken by the Management Board. Their mission is to analyse, in complete independence, the campaign conducted, the damage incurred, and the soundness of the responses provided. These missions have been entrusted to Didier Kling, the independent auditor and Chairman of the Paris Chamber of Commerce and Industry and former Chairman of the Chambre Nationale des Conseils Experts Financiers, as well as to a leading economic intelligence firm.
