# Arcoma receives order of 10 systems to Thailand

**Arcoma AB has received an order of 10 X-ray systems to Thailand. This order consists of a range of Digital X-ray modular systems designed for Canon detector modules. This is also the first Arcoma Precision i5 that includes new features live camera and remote control to Thailand.**

The order is placed by Thai GL, who is Arcoma's distributor and partner in Thailand.

"Our past efforts and customer service has brought us another success. We are very pleased to be the selected provider for our healthcare customers. We are confident and motivated to bring the next level of care to patients, we look forward to this exciting journey with Arcoma.", says Mr Therdkiat Tipayawong, CEO at Thai GL.

"We are excited to see yet another Arcoma Precision i5 to be installed in Thailand, this time with the new innovation of Live Camera and Advanced remote control. We take pride in listening to Voice of Customers in Asia and the collaboration we have with our valued distributors", says Alexis Soh, Business Director at Arcoma AB.
