

PRESS RELEASE
Lund, 7 June 2023

Terranet publishes detailed product video together with video from the investor day May 30, 2023

Terranet publishes a product video that explains the technology behind BlincVision in detail, to create understanding for investors and to ease the process of acquiring potential partnerships. The company also publishes a CEO-interview with Mangold Insight and a video from the investor day that was held May 30, 2023.

About Terranet AB (publ)

Terranet is on a mission to save lives in urban traffic.

We develop breakthrough tech solutions for Advanced Driver Assistance Systems (ADAS) and Autonomous Vehicles (AV) that protect vulnerable road users.

With a unique patented vision technology, Terranet's anti-collision system BlincVision laser scans and detects road objects up to ten times faster and with higher accuracy than any other ADAS technology available today.

Terranet is based in Lund, Sweden, and in the heart of the European automotive industry in Stuttgart, Germany. The company is listed on Nasdaq First North Premier Growth Market since 2017(Nasdaq: TERRNT-B).
