

Sanofi announces withdrawal and refiling of Premerger Notification and Report Form under the HSR Act and extension of tender offer to acquire Provention Bio, Inc.

Paris, France – April 10, 2023 – Sanofi announced today that it has withdrawn and refiled its Premerger Notification and Report Form under the Hart-Scott-Rodino Antitrust Improvements Act of 1976, as amended (the “HSR Act”), in connection with Sanofi’s pending acquisition of Provention Bio, Inc. As previously announced on March 24, 2023, Sanofi commenced a cash tender offer to purchase all outstanding shares of common stock of Provention Bio, Inc. (the “Shares”), for \$25.00 per Share, to the seller thereof in cash, without interest and subject to any withholding taxes required by applicable law.

Sanofi has elected to withdraw and refile its Premerger Notification and Report Form, which was initially filed on March 24, 2023, to provide the Federal Trade Commission (the “FTC”) with additional time for review. Following such refiling, the waiting period under the HSR Act will expire at 11:59 P.M., Eastern Time, on April 25, 2023. The acquisition is expected to close in the second quarter of 2023.

Consummation of the tender offer remains subject to, among other conditions, the expiration or termination of the applicable waiting period under the HSR Act. As a result, Sanofi is extending the tender offer, which was previously scheduled to expire at one minute after 11:59 P.M., Eastern Time, on April 20, 2023, until one minute after 11:59 P.M., Eastern Time, on April 26, 2023. The tender offer may be extended further in accordance with the merger agreement and the applicable rules and regulations of the U.S. Securities and Exchange Commission (the “SEC”). All other terms and conditions of the tender offer will remain unchanged during the extended period.

Innisfree M&A Incorporated is acting as information agent for the tender offer. Requests for documents and questions regarding the tender offer may be directed to Innisfree M&A Incorporated by telephone, toll-free at (877) 800-5195 for shareholders, or collect at (212) 750-5833 for Banks and Brokers.

Sanofi Forward-Looking Statements

This press release contains forward-looking statements. Forward-looking statements are statements that are not historical facts. These statements may include projections and estimates regarding the marketing and other potential of the product, or regarding potential future revenues from the product, and their underlying assumptions, statements regarding plans, objectives, intentions and expectations with respect to future financial results, events, operations, services, product development and potential, and statements regarding future performance. Forward-looking statements are generally identified by the words "expects", "anticipates", "believes", "will be", "intends", "estimates", "plans" and similar expressions. Although Sanofi's management believes that the expectations reflected in such forward-looking statements are reasonable, investors are cautioned that forward-looking information and statements are subject to various risks and uncertainties, many of which are difficult to predict and generally beyond the control of Sanofi, that could cause actual results and developments to differ materially from those expressed in, or implied or projected by, the forward-looking information and statements. These risks and uncertainties include among other things, unexpected regulatory actions or delays, or government regulation generally, that could affect the availability or commercial potential of the product, the fact that product may not be commercially successful and risks related to Sanofi's ability to complete the acquisition on the proposed terms or on the proposed timeline, including the receipt of required regulatory approvals, the possibility that competing offers will be made, other risks associated with executing business combination transactions, such as the risk that the businesses will not be integrated successfully, that such integration may be more difficult, time-consuming or costly than expected or that the expected benefits of the acquisition will not be realized, as well as other risks related to Sanofi's business, including the uncertainties inherent in research and development, including future clinical data and analysis of existing clinical data relating to the product, including post marketing, unexpected safety, quality or manufacturing issues, competition in general, risks associated with intellectual property and any related future litigation and the ultimate outcome of such litigation, and volatile economic and market conditions, and the impact that COVID-19 will have on us, our customers, suppliers, vendors, and other business partners, and the financial condition of any one of them, as well as on our employees and on the global economy as a whole. The risks and uncertainties also include the uncertainties discussed or identified in the public filings with the SEC and the AMF made by Sanofi, including those listed under "Risk Factors" and "Cautionary Statement Regarding Forward-Looking Statements" in Sanofi's annual report on Form 20-F for the year ended December 31, 2022. Other than as required by applicable law, Sanofi does not undertake any obligation to update or revise any forward-looking information or statements.
