Nykredit plans to open green covered bonds denominated in DKK and SEK

Nykredit has today published a Green Bond Framework and is preparing to grant green mortgage loans funded by the issuance of green covered bonds.

Therefore Nykredit will open two new green covered bonds (SDO) in early May:

Currency	Coupon	Maturity date	Interest rate floor
DKK	3M Cibur + spread	1 April 2023	No
SEK	3M Stibor + spread	1 October 2022	Yes: 0.00%

Final terms for the two ISINs will be published when the bonds are listed.
