EUROPEAN ENERGY A/S

Tender Information Document in respect of a tender offer for European Energy A/S' outstanding EUR 150,000,000 callable subordinated green capital securities due 3020

European Energy A/S, CVR-No. 18351331 (the "Issuer") today announces its invitation to the holders of the securities described under the heading "Purchase price" below (the "Capital Securities") (including any beneficial owners who hold their Capital Securities via nominees or custodians) (the "Holders") to tender their Capital Securities for purchase by the Issuer (the "Tender Offer") up to a nominal amount equal to the Transaction Cap (as defined below) and subject to the satisfaction of the New Financing Conditions (as defined below). The Issuer has appointed Danske Bank A/S ("Danske Bank"), DNB Bank ASA, Sweden Branch ("DNB") and Nordea Bank Abp ("Nordea") to act as dealer managers (the "Dealer Managers") in connection with the Tender Offer.

In conjunction with the Tender Offer, subject to market conditions, the Issuer intends to issue:

- (i) new EUR denominated callable subordinated green capital securities (the "New Capital Securities"); and
- (ii) new EUR denominated senior unsecured green bonds with a final maturity date in 2026 (the "New Senior Bonds") to be consolidated and form a single series with the Issuer's existing EUR 75,000,000 senior unsecured green bonds due 2026 with ISIN DK0030511613.

The Issuer has mandated Danske Bank, DNB and Nordea as joint lead managers and bookrunners in respect of the issuance of the New Capital Securities and the New Senior Bonds.

Holders who submit a valid tender instruction will be eligible to receive a priority in the allocation of the New Capital Securities on the terms and conditions set forth below.

The Tender Offer is made on the terms and subject to the conditions set out below.

Subject to applicable law, the Issuer may, in its sole and absolute discretion, extend, re-open, amend or waive any term or condition of or withdraw or terminate the Tender Offer at any time. Holders are advised to carefully read this document for the details of and information on the procedures for participating in the Tender Offer.

Purchase price

Subject to the terms and conditions set out in this tender information document (including the Transaction Cap and the New Financing Conditions (each as defined below)) and the applicable minimum denomination and minimum trade amount in respect of the Capital Securities, the Issuer offers to purchase the Capital Securities at the purchase price set out below (the "Purchase Price"):

Description of the Capital Securities / ISIN / Issued and Outstanding Amount / Minimum Trade Amount / Minimum Denomination / Purchase Price

Callable Subordinated Green Capital Securities due 3020 / DK0030470919 / EUR 150,000,000 / EUR 100,000 / EUR 1,000 / 100.00%

The Issuer will also pay an amount equal to any accrued and unpaid interest on the Capital Securities on the Settlement Date (as defined below) in accordance with the terms and conditions of the Capital Securities (“**Accrued Interest**”).

Deadline

The Tender Offer expires upon book close of the book building process for the New Capital Securities, unless extended, re-opened, withdrawn or terminated at the sole and absolute discretion of the Issuer (the “**Expiration Date**”). The Issuer will announce the Expiration Date as soon as practicable after the book building process for the New Capital Securities has opened. The Issuer will announce the results and (acting in its sole and absolute discretion) whether any Capital Securities will be accepted for purchase pursuant to the Tender Offer as soon as reasonably practicable after the pricing of the New Capital Securities. Settlement of the Tender Offer is expected to occur approximately five business days after the Expiration Date (the “**Settlement Date**”), and to the extent possible on the same day as the settlement of the New Capital Securities, such Settlement Date to be communicated as part of the book building process for the New Capital Securities. Settlement of the transactions pursuant to the Tender Offer will occur as a secondary trade via the Dealer Managers.

Purpose of the Tender Offer

The Tender Offer, in conjunction with the intended issuance of the New Capital Securities and the New Senior Bonds (in each case subject to market conditions), is being made as part of the Issuer’s commitments to exercise active management of its balance sheet.

Priority in New Capital Securities

Subject to the Issuer’s decision on issuance and allocation of the New Capital Securities, Holders who submit a valid tender instruction prior to book close of the book building process for the New Capital Securities will be eligible to receive a priority in the allocation of the New Capital Securities (the “**Priority Allocation**”) provided that such Holder is an eligible buyer of the New Capital Securities given the target market for the New Capital Securities in accordance with Directive 2014/65/EU (MiFID II) and the applicable selling restrictions. The size of such Priority Allocation will be up to the nominal volume of Capital Securities validly submitted and accepted for tender, subject to the minimum trade amount of EUR 100,000 of the New Capital Securities.

Priority take-out and scaling

In the event of any scaling in the acceptance of Capital Securities to be purchased, the Issuer will firstly accept valid tender instructions from investors who subscribe for New Capital Securities up to the nominal amount subscribed for and allocated in the issue of the New Capital Securities, rounding down to the nearest denomination of the Capital Securities (the “**Principal Priority Tenders**”).

Secondly, the Issuer may (in its sole and absolute discretion) accept valid tender instructions from investors who subscribe for New Senior Bonds up to the nominal amount subscribed for and allocated in the issue of the New Senior Bonds, rounding down to the nearest denomination of the Capital Securities (the “**Secondary Priority Tenders**”).

The Issuer will not accept any otherwise valid tender instructions for Capital Securities that have not been priority allocated in accordance with the aforesaid.

The acceptance of tender instructions of Capital Securities will be rounded to a multiple of EUR 1,000 and any scaling made by the Issuer will be binding on all Holders who validly tendered their Capital Securities.

Transaction Cap

The tendered amount of Capital Securities accepted by the Issuer will be capped at an amount equal to the amount of Principal Priority Tenders in the Capital Securities plus, at the Issuer’s sole and absolute discretion, an amount equal to the amount of Secondary Priority Tenders (the “**Transaction Cap**”), subject to the Issuer’s sole and absolute discretion of increasing, decreasing or removing the Transaction Cap. If the Issuer decides to accept for purchase valid tender instructions made pursuant to the Tender Offer and the aggregate nominal amount of Capital Securities validly tendered pursuant to the Tender Offer is greater than the Transaction Cap, the Issuer will accept Capital Securities for purchase on the principles described above under “Priority take-out and scaling”.

Holders should note that, as a result of the Transaction Cap, valid tender instructions made pursuant to the Tender Offer are only expected to be accepted for purchase by the Issuer to the extent that the Holders subscribe for New Capital Securities.

New Financing Conditions

The Issuer’s acceptance of Capital Securities validly tendered for purchase pursuant to the Tender Offer is conditional upon that, in the absolute and sole discretion and determination of the Issuer, (i) the terms and conditions of the New Capital Securities and the New Senior Bonds are satisfactory to the Issuer, including, but not limited to, as to the price and volume of the New Capital Securities and the New Senior Bonds and (ii) the successful completion of the issuance of the New Capital Securities and the New Senior Bonds (including the receipt of funds by the Issuer), which will enable the Issuer to finance the Purchase Price and (unless financed by the Issuer from

existing cash resources) Accrued Interest of the total amount of Capital Securities validly tendered and accepted for purchase pursuant to the Tender Offer (together “**New Financing Conditions**”). The Issuer may waive the New Financing Conditions in whole or in part.

For the avoidance of doubt, the Issuer is not under any obligation to accept any tender of Capital Securities for purchase pursuant to the Tender Offer. Any tender of Capital Securities for purchase may be rejected by the Issuer for any reason, and the Issuer is not under any obligation to Holders to furnish any reason or justification for refusing to accept a tender of Capital Securities for purchase.

The Issuer’s acceptance of Capital Securities validly tendered in accordance with the terms and conditions of the Tender Offer will be irrevocable, but in any event subject to (i) the Transaction Cap (as the same may have been increased, decreased or amended by the Issuer) and (ii) the satisfaction or waiver by the Issuer of the New Financing Conditions.
