

ING to redeem two series of SEC registered Senior Notes

ING announced today it will redeem two series of outstanding SEC registered securities: the USD 500 million Callable Floating Rate Senior Notes (CUSIP 456837 BD4 / ISIN US456837BD49) and the USD 1,250 million 3.869% Callable Fixed-to-Floating Rate Senior Notes (CUSIP 456837 BA0 / ISIN US456837BA00) (together the "Callable Senior Notes") on their call date of 28 March 2025.

The Callable Senior Notes will be redeemed in full in accordance with their terms, with payment to be made on 28 March 2025. The redemption price will be the principal amount of the Callable Senior Notes. Accrued and unpaid interest due on the redemption date will be paid in the usual manner to holders of record as of 27 March 2025. The paying agent for the Callable Senior Notes Securities is The Bank of New York Mellon, London Branch 160 Queen Victoria Street London EC4V 4LA United Kingdom.

Any future decisions by ING as to whether it will exercise (or cause to be exercised) calls in respect of debt securities will be made on an economic basis, taking into account the interests of all stakeholders. Other factors that ING will consider include prevailing market conditions, regulatory approval and capital requirements.

ING PROFILE

ING is a global financial institution with a strong European base, offering banking services through its operating company ING Bank. The purpose of ING Bank is: empowering people to stay a step ahead in life and in business. ING Bank's more than 60,000 employees offer retail and wholesale banking services to customers in over 100 countries.

ING Group shares are listed on the exchanges of Amsterdam (INGA NA, INGA.AS), Brussels and on the New York Stock Exchange (ADRs: ING US, ING.N).

ING aims to put sustainability at the heart of what we do. Our policies and actions are assessed by independent research and ratings providers, which give updates on them annually. ING's ESG rating by MSCI was reconfirmed by MSCI as 'AA' in August 2024 for the fifth year. As of December 2023, in Sustainalytics' view, ING's management of ESG material risk is 'Strong'. Our current ESG Risk Rating, is 17.2 (Low Risk).

ING Group shares are also included in major sustainability and ESG index products of leading providers including Euronext, STOXX, Morningstar and FTSE Russell.

Important legal information

Elements of this press release contain or may contain information about ING Groep N.V. and/ or ING Bank N.V. within the meaning of Article 7(1) to (4) of EU Regulation No 596/2014 ('Market Abuse Regulation').

Certain of the statements contained herein are not historical facts, including, without limitation, certain statements made of future expectations and other forward-looking statements that are based on management's current views and assumptions and involve known and unknown risks and uncertainties that could cause actual results, performance or events to differ materially from those expressed or implied in such statements. Actual results, performance or events may differ materially from those in such statements due to a number of factors, including, without limitation: (1) changes in general economic conditions and customer behaviour, in particular economic conditions in ING's core markets, including changes affecting currency exchange rates and the regional and global economic impact of the invasion of Russia into Ukraine and related international response measures (2) changes affecting interest rate levels (3) any default of a major market participant and related market disruption (4) changes in performance of financial markets, including in Europe and developing markets (5) fiscal

uncertainty in Europe and the United States (6) discontinuation of or changes in 'benchmark' indices (7) inflation and deflation in our principal markets (8) changes in conditions in the credit and capital markets generally, including changes in borrower and counterparty creditworthiness (9) failures of banks falling under the scope of state compensation schemes (10) non-compliance with or changes in laws and regulations, including those concerning financial services, financial economic crimes and tax laws, and the interpretation and application thereof (11) geopolitical risks, political instabilities and policies and actions of governmental and regulatory authorities, including in connection with the invasion of Russia into Ukraine and the related international response measures (12) legal and regulatory risks in certain countries with less developed legal and regulatory frameworks (13) prudential supervision and regulations, including in relation to stress tests and regulatory restrictions on dividends and distributions (also among members of the group) (14) ING's ability to meet minimum capital and other prudential regulatory requirements (15) changes in regulation of US commodities and derivatives businesses of ING and its customers (16) application of bank recovery and resolution regimes, including write down and conversion powers in relation to our securities (17) outcome of current and future litigation, enforcement proceedings, investigations or other regulatory actions, including claims by customers or stakeholders who feel misled or treated unfairly, and other conduct issues (18) changes in tax laws and regulations and risks of non-compliance or investigation in connection with tax laws, including FATCA (19) operational and IT risks, such as system disruptions or failures, breaches of security, cyber-attacks, human error, changes in operational practices or inadequate controls including in respect of third parties with which we do business and including any risks as a result of incomplete, inaccurate, or otherwise flawed outputs from the algorithms and data sets utilized in artificial intelligence (20) risks and challenges related to cybercrime including the effects of cyberattacks and changes in legislation and regulation related to cybersecurity and data privacy, including such risks and challenges as a consequence of the use of emerging technologies, such as advanced forms of artificial intelligence and quantum computing (21) changes in general competitive factors, including ability to increase or maintain market share (22) inability to protect our intellectual property and infringement claims by third parties (23) inability of counterparties to meet financial obligations or ability to enforce rights against such counterparties (24) changes in credit ratings (25) business, operational, regulatory, reputation, transition and other risks and challenges in connection with climate change and ESG-related matters, including data gathering and reporting (26) inability to attract and retain key personnel (27) future liabilities under defined benefit retirement plans (28) failure to manage business risks, including in connection with use of models, use of derivatives, or maintaining appropriate policies and guidelines (29) changes in capital and credit markets, including interbank funding, as well as customer deposits, which provide the liquidity and capital required to fund our operations, and (30) the other risks and uncertainties detailed in the most recent annual report of ING Groep N.V. (including the Risk Factors contained therein) and ING's more recent disclosures, including press releases, which are available on www.ING.com.
