## Ontex publishes its 2025 annual report: 'Building foundations for the future'

**Aalst, Belgium, March 17, 2026 – Ontex Group NV [EURONEXT: ONTEX], a leading international developer and producer of personal care solutions, today publishes its 2025 annual report.**

The annual report covers Ontex's financial, environmental, social and governance data for the year 2025, as well as its leadership and strategy.

**Laurent Nielly**, Ontex's CEO, said: *"2025 was a challenging year for Ontex, and our performance did not meet our initial expectations. At the same time, it was a year of focused execution, during which we took decisive actions to strengthen our foundations and prepare the company for sustainable value creation. We completed our refocus on Europe and North America, continued to improve efficiency, and strengthened the depth, relevance and speed of innovation across our categories.*

*While difficult market conditions weighed on results, the progress made in innovation, sustainability, governance and financial discipline, together with the commitment of our teams, provides a stronger base as we move forward with a clear focus on unlocking Ontex's intrinsic value."*
