

## Atos Positioned as a Leader in 2020 Gartner Magic Quadrant for Managed Workplace Services in both Europe and North America

**Paris, March 10 2020** – [Atos](#), a global leader in digital transformation, today announces that it has been positioned as a Leader by Gartner in its Magic Quadrant for Managed Workplace Services, Europe<sup>1</sup> and its Magic Quadrant for Managed Workplace Services, North America<sup>2</sup>, based on its ability to execute and its completeness of vision. This is the fourth consecutive year Atos has been named a Leader in the Europe report, and the third year in the North America report.

With its [Atos Digital Workplace](#) offering, Atos proposes a comprehensive set of products and services to accelerate, change and transform the employee experience, delivered through an enhanced partnership ecosystem.

*"We are pleased to be recognized again by Gartner for our position as a leader in Managed Workplace Services in both Europe and North America. To us, this reflects our commitment to transforming workplace experiences, driven by the expertise of our 15,000-strong team of Workplace experts worldwide,"* said **Jo Debecker, Head of Infrastructure and Data Management at Atos**. *"Atos is focused on delivering end-to-end solution to a broad range of organizations and user personas, and helping customers with today's workplace challenges, including managing different ecosystems and adapting to changing workstyles."*

This Magic Quadrant evaluated 17 service providers based on their abilities to deliver Managed Workplace Services across Europe, and 20 service providers in the North America-focused report.
