

Company announcement no. 4 / 2025

Schindellegi, Switzerland – 24 February 2025

Change to the Board of Directors

Casey Rosenthal, Member of the Board of Directors of Trifork Group AG since 2019, is joining Trifork's US organization in an operational role and has therefore left the Board of Directors with immediate effect.

Casey Rosenthal will be a member of the management team of Trifork US, leading growth in the Platform and Data Engineering space. Pairing his extensive experience in managing large-scale platforms with Trifork's expertise in building scalable, resilient solutions, Casey Rosenthal will be key in executing Trifork's ambition to continue the strong growth witnessed in North America in the past years.

Before joining Trifork US, Casey Rosenthal was a software entrepreneur and an engineering manager in the Traffic Engineering and Chaos Engineering teams at Netflix. He has managed teams to tackle big data and architect solutions to difficult problems. He finds opportunities to leverage his experience with distributed systems and artificial intelligence, translating novel algorithms and academia into working models. Casey Rosenthal also models human behavior using personality profiles in Ruby, Erlang, Elixir, Prolog, Scala, and other languages. He speaks frequently at conferences on the topics of chaos engineering and complexity.
