Oboya receives an order in Poland

Oboya Horticulture Industries AB (publ) ("Oboya") has through its wholly owned subsidiary VEFI Europa Sp. z o.o in Skierniewice, Poland received an order for cultivation gutter from an existing customer in Poland. The order value amounted to about PLN 1.1 million, corresponding to about SEK 2.7 million.

The order concerns delivery of cultivation gutter to hydroponic cultivation systems and will be delivered continuously during September 2019. The order value amounts to PLN 1.1 million, corresponding to approximately SEK 2.7 million. The existing customer F.H. Nowalijka Piotr Wychowalek is one of the leading hydroponic growing companies in lettuce and fresh herbs in Poland. The cultivation gutter will be used for hydroponic cultivation in greenhouses and grown without soil.

VEFI was founded in 1949 and has been operating for 70 years and is a leading supplier of products for hydroponic cultivation systems. Hydroponic cultivation system means cultivation in greenhouses, regardless of climate and can grow all year round. Cultivation in hydroponic cultivation systems often takes place in a closed and self-sufficient system.
