Danish Ship Finance appoints new CCO

Danish Ship Finance A/S appoints Christian Moxon as new Chief Commercial Officer.

Christian Moxon previously served as CEO at Glastad Capital (a Norwegian family office) and has extensive experience in ship financing. Before his time at Glastad Capital, he spent many years at Pareto Securities, where he was head of the company's American offices and ultimately became Head of Shipping.

Kristian Skovmand, Chief Executive Officer, commented: "We are pleased to welcome Christian Moxon to the team and are confident that his extensive experience in ship financing will significantly contribute to Danish Ship Finance."

Christian Moxon is set to begin his role today, March 2, 2026.

Yours sincerely

Danish Ship Finance

Kristian Skovmand
Chief Executive Officer
