|                                                                                                                                                                                                                                                                                                                     |  |
|---------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|--|
| <b>Aktsionäri nimi</b>                                                                                                                                                                                                                                                                                              |  |
| <b>Name of the shareholder</b>                                                                                                                                                                                                                                                                                      |  |
| Juriidilisest isikust aktsionäri <b>registrikood</b> või füüsilisest isikust aktsionäri <b>isikukood</b> (isikukoodi puudumisel sünnikuupäev)                                                                                                                                                                       |  |
| <b>Registry code</b> of legal person-shareholder or <b>personal identification code</b> of natural person-shareholder (date of birth, if no personal identification code available)                                                                                                                                 |  |
| Aktsionäri <b>esindaja nimi</b> (täita, kui aktsionär on juriidiline isik või kui füüsilisest isikust aktsionär on volitanud ennast esindama teise isiku)                                                                                                                                                           |  |
| <b>Name of the representative</b> of the shareholder (to be filled if the shareholder is a legal person or if the individual shareholder has authorized another person to represent him / her)                                                                                                                      |  |
| Aktsionäri <b>esindaja isikukood</b> (isikukoodi puudumisel sünnikuupäev) (täita, kui aktsionär on juriidiline isik või kui füüsilisest isikust aktsionär on volitanud ennast esindama teise isiku)                                                                                                                 |  |
| <b>Personal identification code</b> of shareholder's <b>representative</b> (date of birth, if no personal identification code available) (to be filled if the shareholder is a legal person or if the individual shareholder has authorized another person to represent him / her)                                  |  |
| Aktsionäri esindaja <b>esindusõiguse alus</b> (juhatuse liige, prokurist, volikiri vms). Hääletussedeliga koos tuleb edastada esindusõigust tõendav dokument, v.a. juhul, kui esindusõigus on Eesti äriregistris nähtav.                                                                                            |  |
| <b>Basis of representation</b> of the shareholder's representative (member of management board, procurator, power of attorney, etc.). Document certifying the right of representation must be submitted together with the ballot, except if the right of representation is visible in Estonian Commercial Register. |  |

Aktsionäride otsuste eelnõude osas hääletan järgmiselt (Poolt/vastu/erapooletu):

I will vote on the draft resolutions of the shareholders as follows (For/against/abstain):

|                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                   |                  |
