

# Election of employee representatives to the Board of Directors

**June 22, 2021 - announcement no. 8**

An election of employee representatives to the Board of Directors of Chr. Hansen Holding A/S has taken place.

The following employee representatives were elected for the next four years:

- Casper Lynghøj Giedo
- Charlotte Hemmingsen
- Karen Lauesen
- Kim Ib Sørensen

Asger Geppel, Henning Jensen, Liudmila Bobek og Ingermarie Jensen were elected as alternates.

The newly elected employee representatives will join the Board of Directors immediately following the Annual General Meeting of Chr. Hansen Holding A/S to be held on November 24, 2021. At the same event, the former employee representatives, Lisbeth Grubov and Per Poulsen, will step down from the Board of Directors.

## **About Chr. Hansen**

Chr. Hansen is a global, differentiated bioscience company that develops natural ingredient solutions for the food, nutritional, pharmaceutical and agricultural industries. At Chr. Hansen we are uniquely positioned to drive positive change through microbial solutions. We have worked for over 145 years to enable sustainable agriculture, cleaner labels and healthier living for more people around the world. Our microbial and fermentation technology platforms, including our broad and relevant collection of around 40,000 microbial strains, have game-changing potential. Matching customer needs and global trends we continue to unlock the power of good bacteria to respond to global challenges such as food waste, global health and the overuse of antibiotics and pesticides. As the world's most sustainable food ingredients company, we touch the lives of more than 1 billion people every day. Driven by our legacy of innovation and curiosity to pioneer science, our purpose - To grow a better world. Naturally. - is at the heart of everything we do.
