EVS ANNOUNCES THE DEPARTURE OF VINCENT WERBROUCK AND TOM BAMELIS AS DIRECTORS OF THE BOARD OF DIRECTORS

Liège, Belgium, January 14, 2020

EVS Broadcast Equipment SA, the leading provider of live video production solutions, announces the resignation of W7 Srl, represented by Vincent Werbrouck, Director of the Board of Directors of the company.

Vincent Werbrouck declared: *“Having accepted new responsibilities as CEO of Sapristic, an international company specialized in business computing, industrial automation and industrial equipment and considering that it was no longer possible to ensure the necessary dedication to EVS, including the executive responsibilities, W7 Srl has resigned from his mandate as Director of the Board of Directors of EVS”.*

This resignation has taken effect on January 14th 2020. The company greatly thanks W7 Srl and Vincent Werbrouck for the time and talent put in the development of EVS.

EVS Broadcast Equipment SA also announces today the resignation of Tom Bamelis, independent Director of the Board of Directors of the company.

Tom Bamelis decided to resign from his mandate as Director of the Board of Directors of EVS with effect on December 23rd 2019. The company is grateful to Tom Bamelis for the time and effort he did put into the structuring of EVS.

Tom Bamelis commented: *“I am proud of the work accomplished since I joined the Board of Directors of EVS and I believe the company is now better prepared to face the challenges of the future.”*

The Board of Directors is currently considering the possibility to launch the search for new directors to reinforce its structure.

Forward Looking Statements

This press release contains forward-looking statements with respect to the business, financial condition, and results of operations of EVS and its affiliates. These statements are based on the current expectations or beliefs of EVS's management and are subject to a number of risks and uncertainties that could cause actual results or performance of the Company to differ materially from those contemplated in such forward-looking statements. These risks and uncertainties relate to changes in technology and market requirements, the company's concentration on one industry, decline in demand for the company's products and those of its affiliates, inability to timely develop and introduce new technologies, products and applications, and loss of market share and pressure on pricing resulting from competition which could cause the actual results or performance of the company to differ materially from those contemplated in such forward-looking statements. EVS undertakes no obligation to publicly release any revisions to these forward-looking statements to reflect events or circumstances after the date hereof or to reflect the occurrence of unanticipated events.
