

NORDIC BEAUTY PRODUCT CONCEPT

create your private label with Aqua Bio Technology

Natural *Nordic* Clean

CREATE YOUR OWN PRIVATE LABEL

Our recipes are developed with *natural, clean, pure and mainly nordic* ingredients of the highest quality to ensure unique and efficacious products under the *Natural, Nordic, Clean Beauty Concept*.

We can currently offer nine products for your private label.

TARGETED PRODUCT INGREDIENT EFFECTS

Strong anti-oxidants, brightening effects, soothing and calming, contributing to improvement of microcirculation, the unique benefits of beta-glucans as well as anti-ageing effects resulting in an improvement of the appearance of fine lines, wrinkles, elasticity, skin tone, skin texture, discoloration, and pore size.

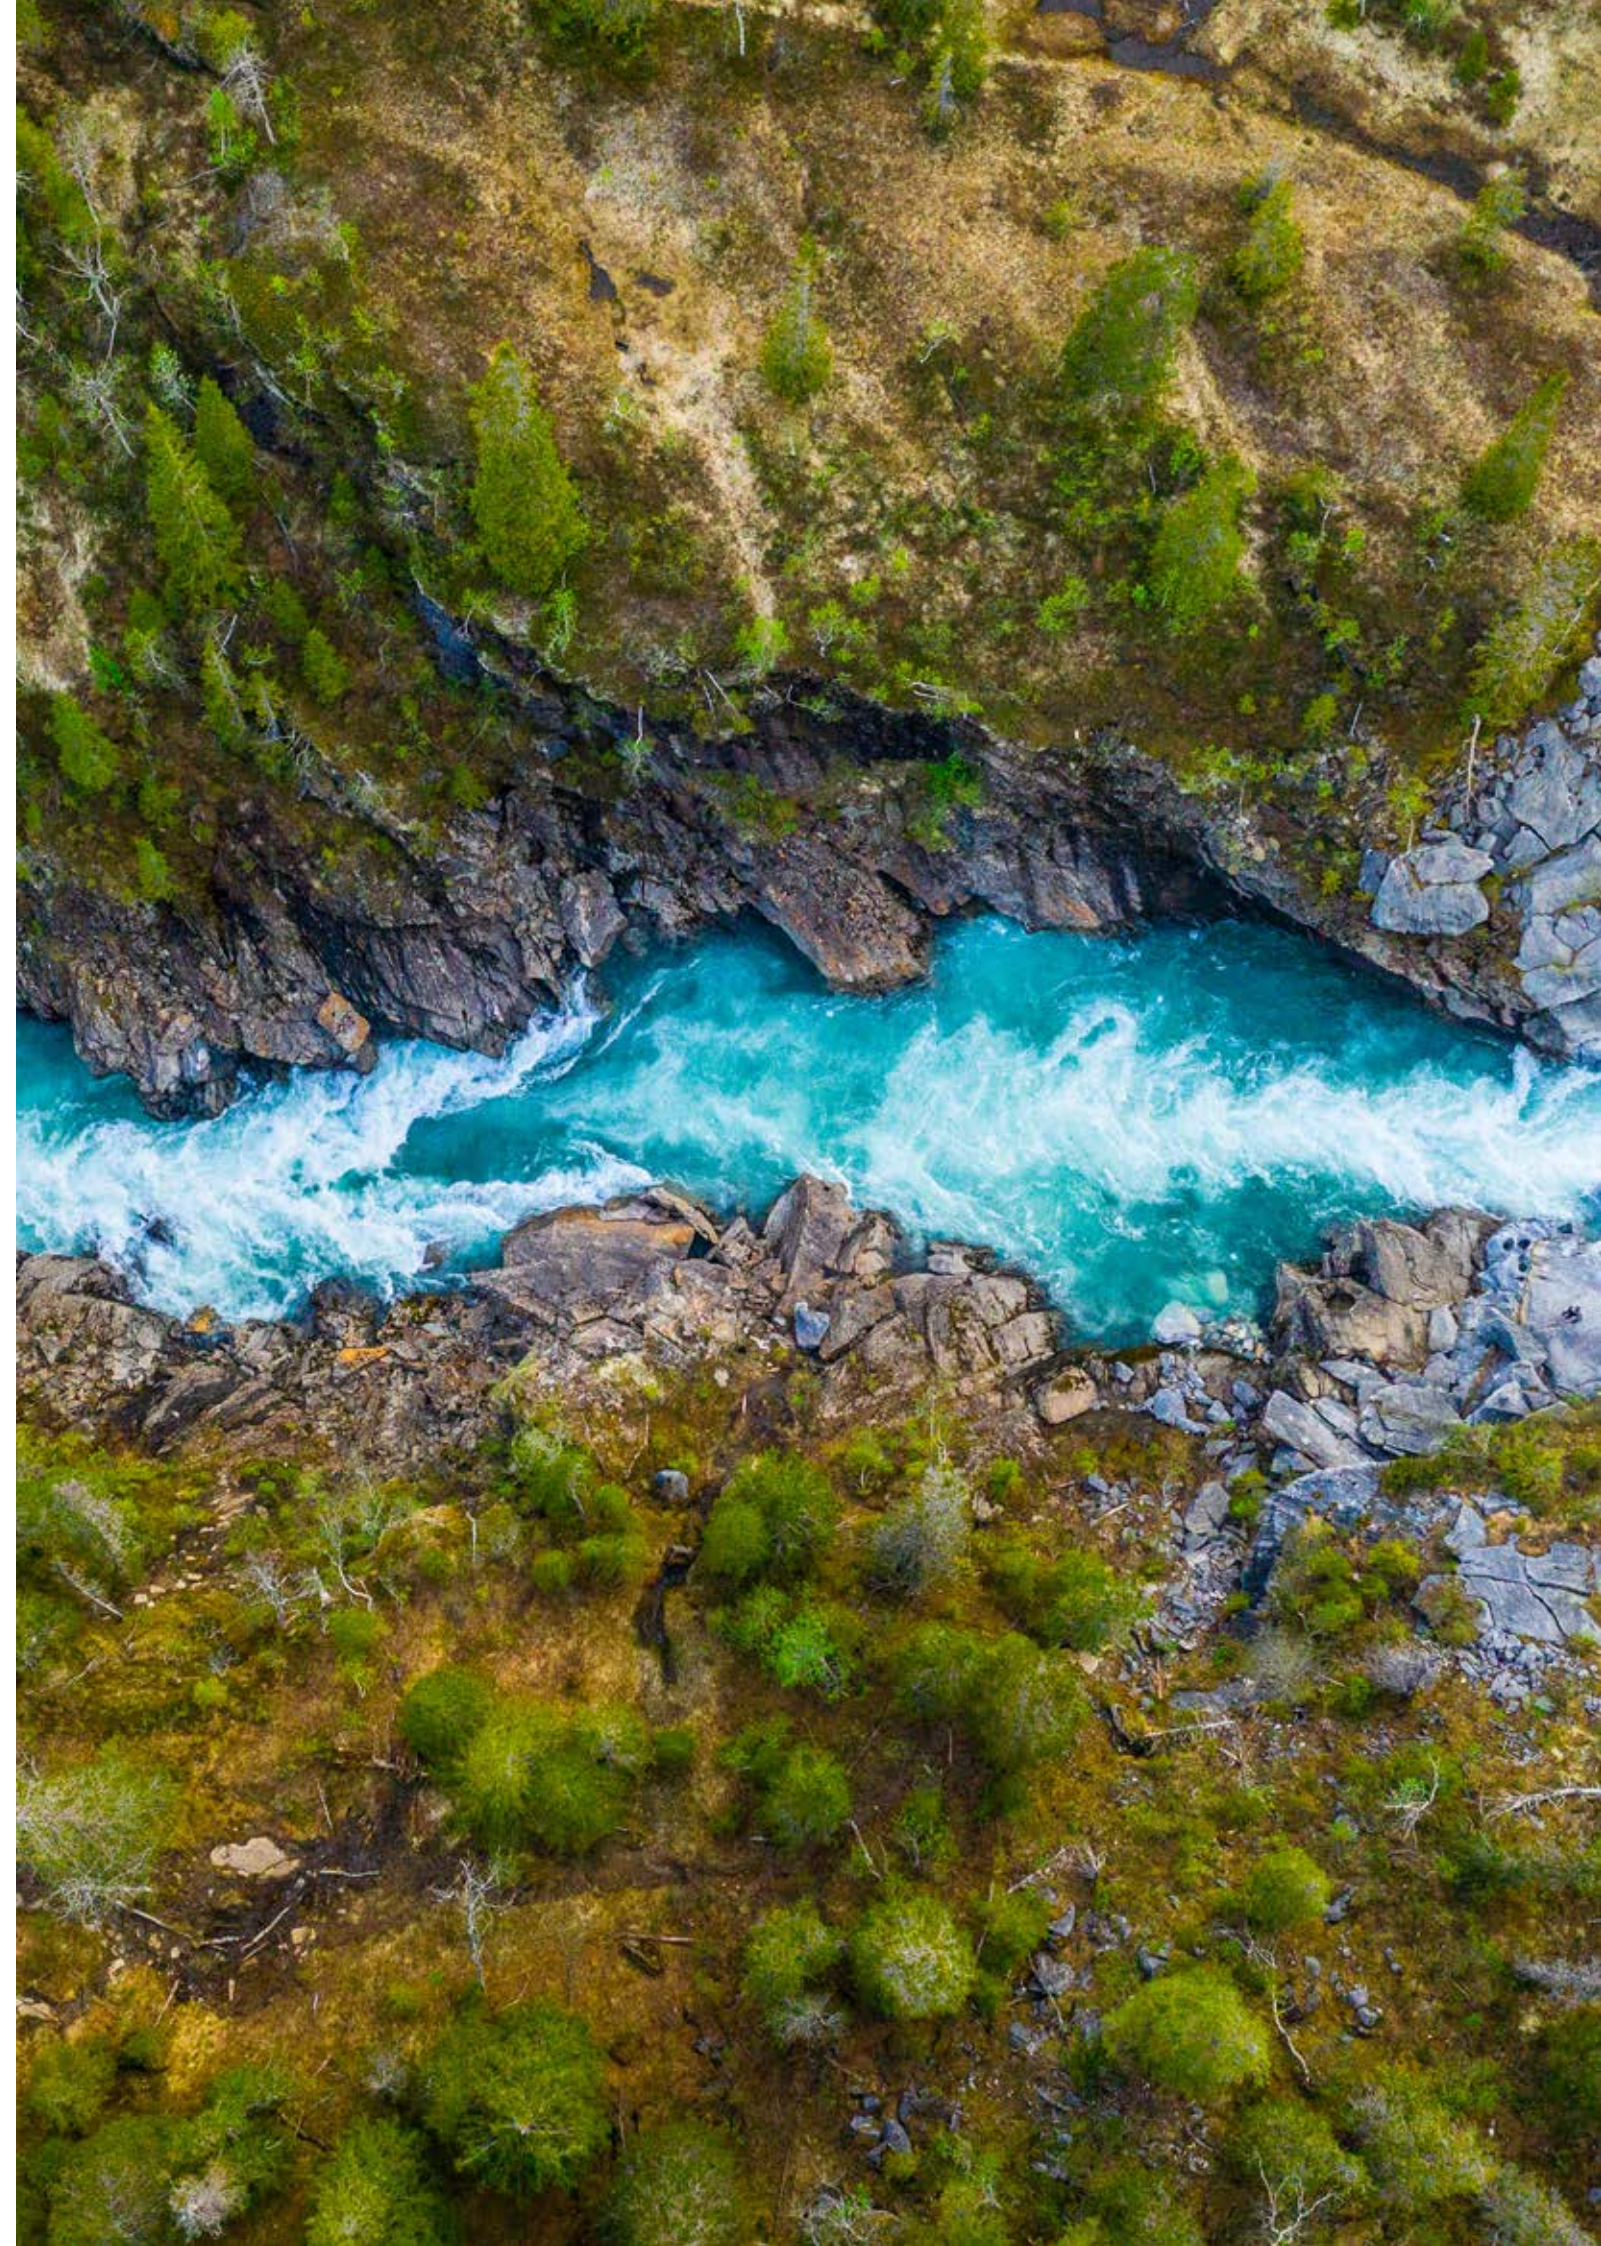

All products have been optimized for use on skin types in warmer climates.
