

## Evolution of Aramis Group's Finance team

Aramis Group, a European leader in the online sale of used cars to private individuals, announced today the nomination of Fabrice Farcot as interim CFO, replacing Stéphane Rougeot.

Fabrice Farcot benefits from a unique understanding of the Group, which he joined eight years ago as CFO. Alongside Guillaume Paoli and Nicolas Chartier, he has notably participated, with success, in the initial public offering of Aramis Group in June 2021, in the acquisition of the UK-based player CarSupermarket in March 2021, and in the structuring of the Finance team.

Fabrice will be able to rely notably on the support of Alexandre Leroy who joined Aramis Group as Head of Investor Relations in December 2021. With nearly 15 years of experience in finance, Alexandre notably managed Investor Relations as well as financial, CSR and institutional communications for Mercialys (Casino Group) for 5 years. Alexandre is a graduate of EM Lyon Business School and Paris Dauphine University.
