# Arcoma receives order of 8 systems to Thailand

**Arcoma AB has received an order of 8 X-ray systems to Thailand. The total order value is approximately 5-6 MSEK and the systems will be installed during Q3 2022 - Q1 2023. This order include the first Arcoma Precision i5 to Thailand.**

The order is placed by Thai GL, who is Arcoma's distributor and partner in Thailand.

The Arcoma Precision i5 is Arcoma's latest X-ray system developed with focus on efficient workflow, safety and ease of use. The ergonomic design and the auto positioning technology maximizes the patient throughput and improves patient and user experience.

"It has been an exciting journey to work with our hospitals to plan and install the state of art Digital X-ray systems from Arcoma that can benefit both healthcare workers and the patients", says Mr Therdkiat Tippayawong, CEO at Thai GL.

"We are excited to see that the first Arcoma Precision i5 soon will be installed in Thailand, an important reference country in Asia. This success reinterate the clinical relevance that Arcoma provides in the healthcare industry", says Alexis Soh, Business Director at Arcoma AB.
