

PRESS RELEASE

DATE 12 April 2024

Corbion appoints Masha Vis-Mertens as Chief Human Resources Officer

Corbion announces the appointment of Masha Vis-Mertens as Chief Human Resources Officer and member of the Executive Committee as of 1 May 2024.

Masha Vis-Mertens, a Dutch national, joins Corbion from Switzerland where she was most recently Chief Human Resources Officer of Barry Callebaut, a global Cocoa and Chocolate Manufacturer. Over her career, she has lived in various regions and countries and has been a successful leader in HR, Commercial and Supply Chain roles. In her previous positions she gained a wealth of experience in talent development, diversity and inclusion, culture, and organizational transformation that she will be bringing to Corbion.

CEO Olivier Rigaud commented: "I am very happy to welcome Masha to Corbion. Her well-rounded HR, operations and business experience will make her an esteemed partner to me, the Executive Committee and the entire Corbion organization. Her passion, energy, and drive are contagious, and she will undoubtedly positively impact our transformation journey."

Masha brings a diverse and multi-cultural background and a fresh perspective. She worked internationally throughout her career and is fluent in Dutch, German, French and English.

PRESS RELEASE

Corbion is the global market leader in lactic acid and its derivatives, and a leading supplier of food preservation solutions, functional blends, and algae ingredients. We use our unique expertise in fermentation and other processes to deliver sustainable solutions for the preservation of food and food production, health, and our planet. For over 100 years, we have been uncompromising in our commitment to safety, quality, innovation, and performance. Drawing on our deep application and product knowledge, we work side by side with customers to make our cutting-edge solutions work for them. Leveraging our advanced capabilities in fermentation and preservation technology, we help customers differentiate their products in diverse markets ranging from food and animal nutrition to home and personal care, pharmaceuticals, electronics, medical devices, and bioplastics. In 2023, Corbion generated annual sales of €1,443.8 million and had a workforce of 2,727 FTEs. Corbion is listed on Euronext Amsterdam. For more information: www.corbion.com
