

INVITATION

Ascom's Full-Year Results Conference for media representatives and analysts

Ladies and Gentlemen,

We cordially invite you to attend the **2020 Full-Year Results** Conference of Ascom Holding AG. Due to the pandemic, Ascom will not hold a media conference on site.

There are two possibilities to join our Conference:

- You may join our **conference call** in which analysts and media representatives can ask questions during the Q&A session after the presentation.
- Additionally, a **live audio webcast** will be provided. This is a non-interactive live audio webcast showing the presentation slides. However, the webcast does not allow posing questions. The Q&A session will be broadcasted.

Date: Thursday 11 March 2021

Starting Time: 10:00 a.m. CET

Dial In: [Link Conference Call](#) (for financial analysts & media representatives)

Ascom will publish the press release, the presentation and the Annual Report 2020 for the annual results at 06:30 CET on 11 March 2021 on ascom.com.
