Press Release October 13, 2021

Hexatronic signs contract in Germany to a value of 9 MEUR

Hexatronic GmbH (“Hexatronic”), a wholly owned subsidiary of Hexatronic Group AB, has signed a Fiber-To-The-Home (FTTH) contract with an existing customer on the German market amounting to a total order value of approximately 9 MEUR. The contract covers the Hexatronic passive fiber optic material including microducts and network products. The material will be delivered during a period of 18 months.

The contract follows two smaller orders received from the same customer approximately two years ago.

CEO comment

“This is the second larger contract in Germany in October and we are very pleased that an existing customer again has chosen Hexatronic as partner for such an important project”, says Henrik Larsson Lyon, CEO of Hexatronic Group.
