

Atos Group completes announced divestment of its South American operations to Semantix

Paris, France – April 30, 2026 – Atos Group, a global leader of AI-powered digital transformation, today announces the completion of the sale of its South American operations to Semantix, a leading Brazil-based provider of data, analytics and artificial intelligence solutions, following the binding agreement signed on December 26, 2025.

The transaction marks a significant milestone in Atos Group's ongoing transformation plan, accelerating the simplification of its operating model and sharpening its strategic focus on core markets and high-value technological capabilities.

The divested perimeter includes the Group's operations in Brazil, Argentina, Chile, Colombia, Uruguay and Peru.

Following closing of the transaction, Nelson Campelo, formerly Head of Atos South America, becomes chief executive officer of Semantix. Leonardo Santos Poça D'Água, founder and CEO of Semantix, becomes executive chairman, focusing on long-term strategy, innovation and ecosystem development.

The transaction has been structured to ensure full continuity of service for clients and a seamless transition for employees.
