

Roblon completes divestment of the Group's US subsidiary

As stated in Company Announcement no. 6/2025, on 2 June 2025 Roblon signed a declaration of intent with two executive officers of the Group's US subsidiary concerning their acquisition of the subsidiary.

The transaction was completed at 24 July 2025 and on the principal terms set out in Company Announcement no. 6/2025.

As previously mentioned, Roblon's activities will in the coming years focus on the development of products and services for Roblon's primary markets, comprising the EMEA region and selected overseas customers and customer leads. The Group's defined primary market is growing, boosted by the current and future expansion of international digitalisation and energy grid infrastructure.
