

Konsolidator enters market maker agreement with Pareto Securities AB

Today, Konsolidator has entered a market maker agreement with Pareto Securities AB, where Pareto Securities AB will promote the liquidity in the Konsolidator share. The agreement commences on July 3, 2023 and will remain in force until terminated by either Konsolidator or Pareto Securities AB.

Besides promoting the liquidity in the share, the agreement with Pareto Securities AB also undertakes to quote bid- and ask- orders in the Konsolidator share with the intention to reduce the spread between the bid and ask prices. The agreement has been concluded with reference to Nasdaq Nordic's Member rules.

CFO Jack Skov comments, *"With a market maker agreement we will improve the shareholder interest by securing a higher liquidity in the share as well as securing a maximum spread between the bid and ask price. High liquidity and low spread will make it easier for shareholders to trade our share which we believe will benefit all shareholders."*
