

PRESS RELEASE**Share Buyback Transaction Details December 21 – December 27, 2023**

December 28, 2023 - Wolters Kluwer (Euronext: WKL), a global leading provider of expert solutions, insights and services for professionals, today reports that it has repurchased 92,431 of its own ordinary shares in the period from December 21, 2023, up to and including December 27, 2023, for €12.0 million and at an average share price of €129.54.

The previously disclosed third-party agreement to repurchase €197 million in shares starting November 2, 2023, up to and including December 27, 2023, has hereby been fulfilled and the total 2023 share buyback for €1 billion has hereby also been completed.

The cumulative amounts repurchased to date under this year's buyback program are as follows:

Share Buyback 2023

Period	Cumulative shares repurchased in period	Total consideration (€ million)	Average share price (€)
2023 to date	8,738,518	1000.0	114.44

For the period starting January 2, 2024, up to and including February 19, 2024, we have mandated a third party to execute €100 million in share buybacks on our behalf, within the limits of relevant laws and regulations (in particular Regulation (EU) 596/2014) and the company's Articles of Association

Repurchased shares are added to and held as treasury shares and will be used for capital reduction purposes or to meet obligations arising from share-based incentive plans.

Forward-looking Statements and Other Important Legal Information

This report contains forward-looking statements. These statements may be identified by words such as “expect”, “should”, “could”, “shall” and similar expressions. Wolters Kluwer cautions that such forward-looking statements are qualified by certain risks and uncertainties that could cause actual results and events to differ materially from what is contemplated by the forward-looking statements. Factors which could cause actual results to differ from these forward-looking statements may include, without limitation, general economic conditions; conditions in the markets in which Wolters Kluwer is engaged; behavior of customers, suppliers, and competitors; technological developments; the implementation and execution of new ICT systems or outsourcing; and legal, tax, and regulatory rules affecting Wolters Kluwer’s businesses, as well as risks related to mergers, acquisitions, and divestments. In addition, financial risks such as currency movements, interest rate fluctuations, liquidity, and credit risks could influence future results. The foregoing list of factors should not be construed as exhaustive. Wolters Kluwer disclaims any intention or obligation to publicly update or revise any forward-looking statements, whether as a result of new information, future events or otherwise.

This press release contains information which is to be made publicly available under Regulation (EU) 596/2014.
