Den elektroniske deltagelsen er organisert av DNB Bank ASA, Verdipapirservice, og dets underleverandør Lumi. Gjennom å delta på den elektroniske generalforsamlingen vil aksjonærer være i stand til å høre på live broadcast av møtet, se presentasjonen, stille spørsmål til sakene på agendaen og foreta avstemming i reell tid. Det er ikke nødvendig med påmelding for å delta online, men aksjonærer må være pålogget før møtet begynner. Er man ikke logget inn innen generalforsamlingen starter vil man ikke kunne delta. Aksjonærer må identifisere seg ved hjelp av referansenummeret og PIN-koden fra VPS, se nærmere informasjon i guiden for elektronisk deltagelse.

The online remote participation is being organized by DNB Bank ASA, Registrar's Department and its supplier Lumi. By attending the online general meeting, shareholders will be able to listen to a live audiocast of the meeting, see the presentation, submit questions relating to the items on the agenda and cast their votes in the real time. Registration is not required to participate online, but shareholders must be logged in before the meeting starts. Shareholders must identify themselves using the reference number and PIN code from VPS, see further information in the separate guide for electronical participation.

Aksjeeiere som ikke har anledning til å møte selv på generalforsamlingen kan gi fullmakt til styrets leder (og den han utpeker) eller annen person til å stemme for sine aksjer. Fullmakt kan sendes inn elektronisk via VPS investortjenester eller ved å fylle ut og sende inn fullmaktsskjema vedlagt i henhold til instruksene angitt i skjemaet. Fullmakten må være skriftlig, datert og underskrevet. Fullmakter må være mottatt av DNB Bank ASA, Verdipapirservice, innen 22. november 2022 kl. 12.00, med mindre aksjeeier har registrert påmelding innen denne fristen. Se vedlagte fullmaktsskjema for ytterligere informasjon om fullmakter.

Shareholders who are unable to attend the general meeting may authorize the chair (and whomever he designates) or another person to vote for its shares. Proxies may be submitted electronically through VPS investor services or by completing and submitting the proxy form attached in accordance with the instructions set out in the form. The proxy must be in writing, dated and signed. Proxy forms must be received by DNB Bank ASA, Registrar's Department, no later than 22 November 2022 at 12:00 hours (CET), unless the shareholder has registered attendance within this deadline. See the enclosed proxy form for further information on proxies.

Beslutninger om stemmerett for aksjeeiere og fullmektiger treffes av møteåpner, hvis beslutning kan omgjøres av generalforsamlingen med alminnelig flertall.

Decisions on voting rights for shareholders and representatives are made by the person opening the meeting, whose decision may be reversed by the general meeting by majority vote.

Etter Selskapets syn har verken den reelle eieren eller forvalteren rett til å stemme for aksjer som er registrert på en VPS-konto som tilhører forvalteren, jf. allmennaksjeloven § 4-10. Den reelle eieren av aksjer kan imidlertid stemme for aksjene hvis han godtgjør at han har tatt nødvendige skritt for å avslutte forvalterregistreringen av aksjene, og at aksjene vil overføres til en ordinær VPS-konto som står i navnet til eieren. Hvis eieren kan godtgjøre at han har tatt slike skritt, og at han har en reell aksjeeierinteresse i selskapet, kan han etter Selskapets oppfatning stemme for aksjene selv om de ennå ikke er registrert på en ordinær VPS-konto.

It is the view of the Company that neither the beneficial owner nor the nominee may exercise voting rights for shares which are registered on nominee accounts, cf. the Norwegian public limited liability companies act section 4-10. However, the beneficial owner of the shares may exercise such voting rights if he proves that he has taken the necessary steps to terminate the nominee arrangement, and that the shares will be transferred to an ordinary VPS account in the name of the beneficial owner. If the beneficial owner can prove that he has initiated such measures, and that he has beneficial ownership to the shares, he may, in the opinion of the Company, exercise voting rights for the shares even if the shares have not yet been transferred to an ordinary VPS account.

Aksjeeierne kan ikke kreve at nye saker settes på agendaen etter at fristen for å kreve dette er utløpt, jf. allmennaksjeloven § 5-11 andre setning. En aksjeeier har rett til å fremsette forslag til vedtak i de saker som generalforsamlingen skal behandle.

A shareholder cannot demand that new items are added to the agenda, when the deadline for such request has expired, cf. the Norwegian public limited liability companies act section 5-11 second sentence. A shareholder has the right to make proposals for a resolution regarding the items which will be considered by the general meeting.

En aksjeeier kan kreve at styremedlemmer og daglig leder på generalforsamlingen gir tilgjengelige opplysninger om forhold som kan innvirke på sakene som er forelagt aksjeeierne til avgjørelse og Selskapets økonomiske stilling, med mindre de opplysninger som kreves ikke kan gis uten uforholdsmessig skade for Selskapet. Dersom det må innhentes opplysninger, slik at svar ikke kan gis på generalforsamlingen, skal det utarbeides skriftlig svar innen to uker etter møtet. Svaret skal holdes tilgjengelig for aksjeeierne på selskapets kontor og sendes alle aksjeeiere som har bedt om opplysningen. Dersom svaret må anses å være av vesentlig betydning for bedømmelsen av forhold som nevnt i forrige avsnitt, skal svaret sendes alle aksjeeiere med kjent adresse.

A shareholder may request directors and the CEO to provide to the general meeting available information about matters that may affect the consideration of any matters that have been submitted to the shareholders for decision and the Company's financial position, unless the requested information cannot be disclosed without causing disproportionate harm to the Company. If additional information is necessary, and an answer can not be given at the general meeting, a written answer shall be prepared within two weeks from the date of the general meeting. Such answer shall be available at the Company's office and sent to shareholders requesting the information. If the answer is considered material for evaluation of the circumstances mentioned in the previous paragraph, the answer should be sent to all shareholders with known address.

The board of directors' proposed resolutions
for
extraordinary general meeting

1 Godkjennelse av innkalling og agenda

Styret foreslår at generalforsamlingen fatter følgende vedtak:

"Innkalling og agenda godkjennes."

2 Valg av medundertegner til protokollen

Styret foreslår at Lars Mysen velges til å undertegne protokollen sammen med møteleder.

3 Rettet Emisjon

Den 1. november 2022 annonserte selskapet en rettet emisjon (den "Rettede Emisjonen") av 229 250 000 nye ordinære aksjer i Selskapet ("Nye Aksjer") til en tegningskurs på NOK 6,70 per aksje («Tegningskursen»), som samlet gir selskapet et bruttoproveny på ca. NOK 1 536 millioner.

Den Rettede Emisjonen består av en transje med 110 822 311 Nye Aksjer («Transje 1») og en annen transje med 118 427 689 Nye Aksjer («Transje 2»). Begge transjene er betinget av generalforsamlingens godkjenning. De Nye Aksjene allokkert i Transje 1 vil være omsettelige og tas opp til notering på Oslo Børs etter at generalforsamlingen har godkjent den Rettede Emisjonen og denne er registrert i Foretaksregisteret. De Nye Aksjene i Transje 2 vil først tas opp til notering på Oslo Børs når Finanstilsynet har godkjent et noteringsprospekt (forventet i desember 2022), og før dette utstedes disse aksjene på et separat ISIN.

Nettoprovenyet fra den Rettede Emisjonen vil bli brukt til å redusere selskapets gjeld. Provenyet vil posisjonere selskapet til å håndtere gjeldsbetalinger i 2023 og forlenge refinansieringsvinduet til mars 2024. En styrket balanse vil, sammen med den pågående forbedringen i det marine geofysiske markedet, både redusere

1 Approval of the notice and the agenda

The board proposes that the general meeting adopts the following resolution:

"The notice and the agenda are approved."

2 Election of co-signer to the minutes

The board proposes that Lars Mysen is elected to co-sign the minutes together with the meeting chair.

3 Private Placement

On 1 November 2022, the Company announced that it had successfully completed a private placement (the "Private Placement") of 229,250,000 new ordinary shares in the Company (the "New Shares"), each at a subscription price of NOK 6.70 (the "Subscription Price"), raising gross proceeds of approximately NOK 1,536 million.

The Private Placement is consisting of one tranche with 110,822,311 New Shares ("Tranche 1") and a second tranche with 118,427,689 New Shares ("Tranche 2"). Both tranches are subject to approval by the extraordinary general meeting. The New Shares allocated in Tranche 1 will be tradable following approval by the general meeting and registration of the share capital increase pertaining to the Private Placement with the Norwegian Register of Business Enterprises. The New Shares allocated to investors in Tranche 2 will not be tradable on Oslo Stock Exchange until a listing prospectus has been approved by the Financial Supervisory Authority of Norway and will be issued on a separate ISIN until such prospectus is published, expected during December 2022.

The net proceeds from the Private Placement will be used to reduce the Company's leverage. The proceeds will position the Company to manage 2023 debt amortization and extend the re-financing window to March 2024. A strengthened balance sheet, together with the ongoing market recovery in the marine

refinansieringsrisikoen for selskapet og de forventede kostnadene ved en refinansiering.

Den Rettede Emisjonen er blant annet betinget av at alle nødvendige beslutninger er fattet, herunder godkjennelse av den ekstraordinære generalforsamlingen, og at de Nye Aksjene er gyldig utstedt og fullt innbetalt.

Eksisterende aksjonærer som har fått tildelt aksjer i den Rettede Emisjonen, har forpliktet seg til å stemme for den Rettede Emisjonen på den ekstraordinære generalforsamlingen.

Styret foreslår å fravike aksjonærernes fortrinnsrett. Styret har vurdert dette i lys av reglene om likebehandling i allmennaksjeloven, verdipapirhandelovaen og Oslo Børs regelbok II for selskaper notert på Oslo Børs og Oslo Børs' retningslinjer for likebehandling og mener at den rettede emisjonen er i samsvar med disse kravene. Styret mener det er i selskapets og dets aksjonærers felles interesse å hente egenkapital gjennom den Rettede Emisjonen, særlig i lys av dagens markedsforhold og selskapets behov for å refinansiere eksisterende gjeld, redusere gjennomføringsrisiko, muliggjøring for selskapet å raskere innhente kapital, innhenting av kapital med en lavere rabatt i forhold til en fortrinnsrettsemisjon og uten garantiprovisjon som vanligvis gis ved fortrinnsrettsemisjoner. Styret har videre i allokeringskriteriene for den Rettede Emisjonen særlig hensyntatt eksisterende aksjeeiere. Eksisterende aksjeeiere som ikke ble allokkert aksjer i den Rettede Emisjonen har muligheten til å delta i den Etterfølgende Emisjonen (som definert og beskrevet under).

På denne bakgrunn foreslås det at generalforsamlingen fatter følgende vedtak:

- 1) Aksjekapitalen forhøyes med NOK 687 750 000 ved utstedelse av 229 250 000 aksjer hver pålydende NOK 3.
- 2) *Aksjeeiernes fortrinnsrett fravikes. De nye aksjene skal tegnes av investorer basert på og i tråd med en tildelingsliste godkjent av styret. I henhold til fullmakt skal Carnegie AS og Pareto Securities AS tegne 50% hver av aksjene (med forbehold for avrunding) på vegne av nevnte investorer i henhold*

geophysics market, will reduce the refinancing risk for the Company and the expected cost of a refinancing.

The Private Placement is, among other thing, subject to all necessary corporate resolutions being in place, including but not limited to the approval by the extraordinary general meeting of the Company, and the New Shares being validly issued and fully paid.

Existing shareholders who have applied for New Shares in the Private Placement have undertaken to vote in favour of the share capital increase pertaining to the Private Placement at the extraordinary general meeting.

The board proposes to derogate from the existing shareholders' preferential rights. The board has considered this in light of the equal treatment obligations under the Norwegian Public Limited Companies Act, the Norwegian Securities Trading Act and the Oslo Rule Book II for companies listed on the Oslo Stock Exchange and the Oslo Stock Exchange's Guidelines on the rule of equal treatment and is of the opinion that the Private Placement is in compliance with these requirements. The board is of the view that it is in the common interest of the Company and its shareholders to raise equity through the Private Placement, in particular in view of the current market conditions and the Company's need for refinancing of its debt, reduce execution and completion risk, allow for the Company to raise capital more quickly, raise capital at a lower discount compared to a rights issue and without the underwriting commissions normally seen with rights offerings. Furthermore, the board has put significant emphasis on existing shareholding as an allocation criteria in the Private Placement. Existing shareholders that were not allocated shares in the Private Placement will be able to participate on a pro-rata basis in the Subsequent Offering (as defined and described below).

Based on the above, it is proposed that general meeting adopts the following resolution:

- 1) *The share capital is increased by NOK 687,750,000 by the issuance of 229,250,000 shares, each with a nominal value of NOK 3.*
- 2) *The shareholders' pre-emption rights are set aside. The new shares shall be subscribed for by investors based on an allocation list approved by the board. Based on authorisation from the investors, each of Carnegie AS and Pareto Securities AS shall subscribe for 50% of the shares (subject to rounding) on behalf of the aforementioned investors, pursuant*

til tildelingslisten på et særskilt tegningsformular innen 2. desember 2022.

3) *Det skal betales NOK 6,70 per aksje, slik at samlet aksjeinnskudd for aksjene blir NOK 1 535 975 000.*

4) *Aksjeinnskuddet skal gjøres opp ved kontant betaling til en særskilt emisjonskonto innen 2. desember 2022.*

5) *De nye aksjene gir aksjonærrettigheter fra det tidspunktet kapitalforhøyelsen er registrert i Foretaksregisteret, herunder rett til utbytte som vedtas deretter.*

6) *Fra samme tidspunkt skal § 3 i vedtekten endres til å lyde:*

«Aksjekapitalen er NOK 2 728 649 142 fordelt på 909 549 714 aksjer hver pålydende NOK 3. Aksjene skal være registrert i Verdipapirsentralen (VPS), Euronext Securities Oslo.»

7) *De anslatte utgiftene til kapitalforhøyelsen er NOK 31 000 000.*

4 Etterfølgende emisjon

Med forbehold om at agendapunkt 3 over godkjennes, foreslår Styret at det gjennomføres en etterfølgende emisjon (den "Etterfølgende Emisjonen") der det utstedes inntil 45 841 000 nye aksjer i selskapet. Den Etterfølgende Emisjonen er betinget av at (i) den Rettede Emisjonen gjennomføres, (ii) relevante selskapsbeslutninger er fattet, herunder godkjennelse fra den ekstraordinære generalforsamlingen, (iii) gjeldende markeds курс for selskapets aksjer er høyere enn Tegningskursen, og (iv) godkjennelse av prospekt for notering av de Nye aksjene i Transje 2 og notering og tilbud av de nye aksjene i den Etterfølgende Emisjonen, og vil rettes mot aksjonærer i Selskapet som var aksjonærer i Selskapet per 1. november 2022 slik disse fremgår i Selskapets aksjonærregister i Verdipapirsentralen, Euronext Securities Oslo («VPS») den 3. november 2022, og som (i) ikke fikk tildelt aksjer den Rettede Emisjonen og (ii) ikke er bosatt i en jurisdiksjon hvor et slikt tilbud vil være ulovlig eller, bortsett fra i Norge, kreve prospekt, innsendelse, registrering eller tilsvarende handling («Berettigede Aksjonærer»). De Berettigede Aksjonærerne vil få tildelt

to the allocation list and on a separate subscription formula by 2 December 2022

3) *NOK 6.70 shall be paid per share, so that the total of the consideration for the shares is NOK 1,535,975,000.*

4) *The consideration for the shares shall be settled by cash payment to a separate bank account within 2 December 2022.*

5) *The new shares give shareholders rights in the Company from the time the capital increase is registered in the Norwegian Register of Business Enterprises, including right to dividends resolved thereafter.*

6) *The articles of association § 3 shall be amended to the following:*

"The share capital is NOK 2,728,649,142 divided into 909,549,714 shares, each with a nominal value of NOK 3. The Company's shares shall be registered with the Euronext Securities Oslo, the central securities depositary in Norway (Nw: Verdipapirsentralen (VPS))."

7) *The estimated cost of the capital increase is NOK 31,000,000.*

4 Subsequent Offering

Subject to approval of item 3 above, the Board propose to carry out a subsequent offering (the "Subsequent Offering") of up to 45,841,000 new shares in the Company. The Subsequent Offering is subject to (i) completion of the Private Placement, (ii) relevant corporate resolutions including approval by the extraordinary general meeting, (iii) prevailing market price of PGS' shares being higher than the Subscription Price, and (iv) approval of a prospectus for the listing of the New Shares in Tranche 2 and listing and offering of the new shares in the Subsequent Offering, and will be directed towards shareholders in the Company who were shareholders in the Company as of 1 November 2022, as registered as shareholders in the Company' register of shareholders with the Euronext Securities Oslo, the central securities depositary in Norway (Nw: Verdipapirsentralen) (the "VPS") on 3 November 2022, and who (i) were not allocated Offer Shares in the Private Placement, and (ii) are not resident in a jurisdiction where such offering would be unlawful or, for jurisdictions other than Norway, would require any prospectus, filing, registration or similar action (the

Tegningskursen i den Etterfølgende Emisjonen vil være den samme som i den Rettede Emisjonen.

Det henvises til agendapunkt 3 over for en beskrivelse av bakgrunnen for den Rettede Emisjonen og den Etterfølgende Emisjonen, fravikelse av aksjonærernes fortrinnsrett og andre forhold av betydning ved tegning av aksjer i Selskapet.

På denne bakgrunn foreslår styret at generalforsamlingen treffer følgende vedtak:

Dersom prospektet ikke er godkjent den 14. desember 2022, begynner tegningsperioden to handelsdager etter at Finanstilsynet har godkjent prospektet, og utløper to uker deretter. Dersom prospektet blir godkjent mer enn to handelsdager før den 14. desember 2022, begynner tegningsperioden to handelsdager etter at Finanstilsynet har godkjent prospektet, og utløper to uker deretter. If the prospectus is approved more than two trading days before 14 December 2022, the subscription period shall commence two trading days after the FSA's approval of the prospectus and shall expire two weeks thereafter. - 6) *Tegningsbeløpet skal gjøres opp ved kontant innbetaling til særskilt emisjonskonto senest ti handeldager etter at tegningsperioden er utløpt. Styret fastsetter de nærmere vilkår for gjennomføring av oppgjøret som vil bli beskrevet i prospektet.*

GUIDE FOR ONLINE PARTICIPATION PGS ASA EGM 23 NOVEMBER 2022

PGS ASA will hold an extraordinary general meeting on 23 November at 10:00 hrs CET as a virtual meeting, where you get the opportunity to participate online with your PC, smartphone or tablet. Below is a description of how to participate online.

We also point out that you can vote in advance or give a proxy before the meeting. See the notice for further details on advance voting and how to authorize a proxy. If you vote in advance or give a proxy, you can still log on to the general meeting to follow and ask questions, but you will not have the opportunity to vote on the items. If required a proxy can be withdrawn by requesting this once logged on.

By participating online, shareholders will receive a live webcast from the general meeting, the opportunity to ask written questions, and vote on each of the items. Secure identification of shareholders is done by using the unique reference number and PIN code assigned to each shareholder by the Norwegian Central Securities Depository (In Norwegian either "Verdipapirsentralen" or "VPS") in relation to this general meeting.

No registration is required for shareholders who want to participate online, but shareholders must be logged in before the general meeting starts.

Shareholder who does not find their reference number and PIN code for access or have other technical questions is welcome to call DNB Registrars Department on phone + 47 23 26 80 20 (between 08:00-15:30 CET), or send an e-mail to genf@dnb.no

HOW TO ACCESS THE ONLINE GENERAL MEETING

To be able to participate online, you must go to the following website: <https://web.lumiagm.com>

either on your smartphone, tablet or PC. All major known browsers, such as Chrome, Safari, Edge, Firefox etc. are supported.

enter Meeting ID: 199-175-962 and click Join:

You must then identify yourself with.

a) Ref. number from VPS for the general meeting

b) PIN code from VPS for general meeting

You will have the opportunity to log in one hour before the general meeting starts.

Once you have logged in, you will be taken to the information page for the general meeting. Here you will find information from the company, and how this works technically. Note that you must have internet access throughout the meeting.

The company has also decided that non shareholders can follow, and there is a separate choice called Gjestepålogging/Guests. Guest logged in will not be able to submit questions and will not receive items that are voted on.

HOW TO RECEIVE YOUR REFERENCE NUMBER AND PIN CODE

All shareholders registered in the VPS are assigned their own unique reference and PIN code for use in the general meeting, available to each shareholder through VPS Investor Services. Access VPS Investor Services, select Corporate Actions, General Meeting. Click on the ISIN and you can see your reference number (Ref.nr.) and PIN code.

All VPS directly registered shareholders have access to investor services either via www.euronextvps.no or internet bank. Contact your VPS account operator if you do not have access.

Shareholders who have not selected electronic corporate messages in Investor Services will also receive their reference number and PIN code by post together with the summons from the company (on registration form).

Custodian registered shareholders: Shares held through Custodians (nominee) accounts must be transferred to a segregated VPS account registered in the name of the shareholder to have voting rights on the General Meeting. Once shares are transferred to the segregated VPS account, a reference number and PIN code are assigned to this account. Please contact your custodian for further information.

HOW TO VOTE

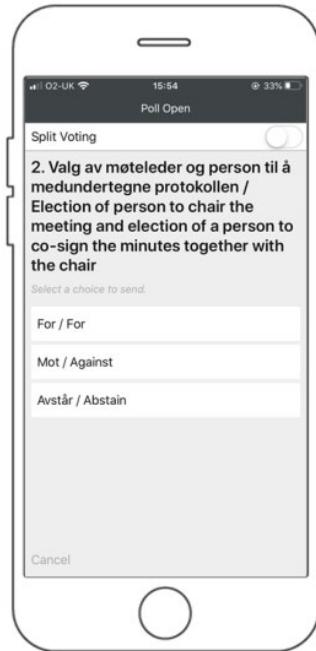

When items are available for voting, you can vote on all items as quickly as you wish. Items are closed for voting as the general meeting considers them. Items will be pushed to your screen. Click on the vote icon if you click away from the poll.

To vote, press your choice on each of the issues. FOR, AGAINST or ABSTAIN. Once you have cast your vote, you will see that your choice is marked. You also get a choice where you can vote jointly on all items. If you use this option, you can still override the choice on items one by one if desired.

To change your voice, click on another option. You can also choose to cancel. You can change or cancel your vote until the chair of the meeting concludes the voting on the individual items. Your last choice will be valid.

NB: Logged in shareholders who have voted in advance or given a proxy will not have the opportunity to vote but can follow and write messages if desired.

QUESTIONS TO THE CHAIRPERSON

Questions or messages relating to the items on the agenda can be submitted by the shareholder or appointed proxy at any time during the meeting as long as the chair of the meeting holds this open.

If you would like to ask a question related to the items on the agenda, select the messaging icon.

Enter your question in the message box: "Ask a Question". When you have finished writing your question, click on the submit button.

Questions submitted online will be moderated before handed over to the chair. This is to avoid repetition of questions as well as removal of inappropriate language.

All shareholders who submit questions will be identified with their full names, but not the holding of shares.
