Find out what happened when volunteers representing CNH Industrial's brand **CASE Construction Equipment** joined forces with non-profit housing charity [Habitat for Humanity](https://www.habitatforhumanity.org/) in Racine, Wisconsin, USA.

At the charity's inaugural **Women Build** event held in the city, 20 of our female employees volunteered to help construct new, safe, and affordable homes for single mothers in Racine.

"It was especially powerful because we created a strong, sister-like bond while also helping other women," said Jessica Klein, Marketing & Communications Manager at CASE in Racine.

This was a great example of how we empower the women in our workforce to make a difference.
