

Transactions in connection with share buy-back program

Company Announcement

COPENHAGEN, Denmark; March 06, 2023 – [Genmab A/S](#) (Nasdaq: **GMAB).** On February 22, 2023, Genmab announced the initiation of a share buy-back program to honor our commitments under our Restricted Stock Units program.

The share buy-back program is expected to be completed no later than March 31, 2023 and comprises up to 220,000 shares.

The following transactions were executed under the program from February 27, 2023, to March 03, 2023:

	No. of shares	Average price (DKK)	Total value (DKK)
Accumulated through last announcement	22,000		58,232,120
February 27, 2023	10,000	2,687.64	26,876,400
February 28, 2023	10,000	2,649.00	26,490,000
March 01, 2023	12,000	2,619.26	31,431,120
March 02, 2023	12,000	2,581.07	30,972,840
March 03, 2023	12,000	2,548.29	30,579,480
Total	56,000		146,349,840
Accumulated under the program	78,000		204,581,960

Details of each transaction are included as an appendix to this announcement.

Following these transactions, Genmab holds 621,416 shares as treasury shares, corresponding to 0.94% of the total share capital and voting rights.

The share buy-back program is undertaken in accordance with Regulation (EU) No. 596/2014 ('MAR') and the Commission Delegated Regulation (EU) 2016/1052, also referred to as the "Safe Harbour Regulation." Further details on the terms of the share buy-back program can be found in our company announcement no. 06 dated February 22, 2023.

About Genmab

Genmab is an international biotechnology company with a core purpose guiding its unstoppable team to strive towards improving the lives of patients through innovative and differentiated antibody therapeutics. For more than 20 years, its passionate, innovative and collaborative team has invented next-generation antibody technology platforms and leveraged translational research and data sciences, which has resulted in a proprietary pipeline including bispecific T-cell engagers, next-generation immune checkpoint modulators, effector function enhanced antibodies and antibody-drug conjugates. To help develop and deliver novel antibody therapies to patients, Genmab has formed 20+ strategic partnerships with biotechnology and pharmaceutical companies. By 2030, Genmab's vision is to transform the lives of people with cancer and other serious diseases with Knock-Your-Socks-Off (KYSO) antibody medicines.

This Company Announcement contains forward looking statements. The words “believe”, “expect”, “anticipate”, “intend” and “plan” and similar expressions identify forward looking statements. Actual results or performance may differ materially from any future results or performance expressed or implied by such statements. The important factors that could cause our actual results or performance to differ materially include, among others, risks associated with pre-clinical and clinical development of products, uncertainties related to the outcome and conduct of clinical trials including unforeseen safety issues, uncertainties related to product manufacturing, the lack of market acceptance of our products, our inability to manage growth, the competitive environment in relation to our business area and markets, our inability to attract and retain suitably qualified personnel, the unenforceability or lack of protection of our patents and proprietary rights, our relationships with affiliated entities, changes and developments in technology which may render our products or technologies obsolete, and other factors. For a further discussion of these risks, please refer to the risk management sections in Genmab’s most recent financial reports, which are available on www.genmab.com and the risk factors included in Genmab’s most recent Annual Report on Form 20-F and other filings with the U.S. Securities and Exchange Commission (SEC), which are available at www.sec.gov. Genmab does not undertake any obligation to update or revise forward looking statements in this Company Announcement nor to confirm such statements to reflect subsequent events or circumstances after the date made or in relation to actual results, unless required by law.
