**About FLSmidth**

*FLSmidth is a full flowsheet technology and service supplier to the global mining and cement industries. We enable our customers to improve performance, lower operating costs and reduce environmental impact. MissionZero is our sustainability ambition towards zero emissions in mining and cement by 2030. We work within fully validated Science-Based Targets, have a clear commitment to reducing the sustainability footprint of the global mining and cement industries and aim to become carbon neutral in our own operations by 2030.
