

Interinvest Offices & Warehouses announces the agenda for the general meeting as at 29 April 2020

Today, Interinvest Offices & Warehouses (hereinafter Interinvest) is publishing the convocation and agenda for the ordinary and extraordinary general shareholders' meetings which will be held at the registered office, **Uitbreidingstraat 66, 2600 Berchem**, as at **29 April 2020 at 4:30 p.m.**

Given the current restrictive measures regarding the coronavirus, Interinvest invites its shareholders to make use of the possibility of distance voting through the **proxy form** which is available on the website of Interinvest. This proxy form has to be sent to the email address AlgemeneVergadering@interinvest.be, no later than the 6th day prior to the general meeting i.e. no later than Thursday 23 April 2020. Besides, it is being checked (also within the scope of a forthcoming facilitation of the rules) if the shareholders can make use of the possibility to attend the general meeting at distance, through electronic means of communication. As soon as this is known more precisely, Interinvest will provide its shareholders the necessary instructions, among others via a press release or announcements on the website.

The agenda for the *ordinary general meeting* contains various mandatory agenda items, among others the establishment of the annual accounts and annual report for the 2019 financial year, the establishment of the dividend for the 2019 financial year and the approval of the remuneration report. The change in the remuneration of the directors and members of the committees has also been included in the agenda.

The agenda of the *extraordinary general meeting* contains an amendment to the management model within the framework of the new Belgian Companies and Associations Code (CAC). Under the new Companies and Associations Code, the current Interinvest corporate governance model, further to which the board of directors delegates certain management powers to an executive committee (in accordance with Article 524bis of the previous Companies Code), is no longer valid.

According to the new rules, Interinvest must choose between a one-tier or two-tier management model. The latter consists of a supervisory board, composed exclusively of non-executive directors and led by a chairman, on the one hand, and an executive board led by the CEO, on the other hand. The tasks and responsibilities of both bodies are clearly defined in the new CAC.

After having assessed the characteristics of both management models, the board of directors concluded that the dual management model is most appropriate for Interinvest and best links up with the current monistic management model having a board of directors and an executive committee.

Therefore, this proposed change to a dual management model will be submitted to the extraordinary general meeting of 29 April 2020 for approval. On that occasion Interinvest will also submit a proposal to review its articles of association to bring them fully in line with the new CAC.
