

## **Invitation to conference call on 30 January 2024 at 08:00 CET**

The conference call is held with reference to Company Announcement no. 1-2024 titled “*FLSmidth to explore divestment options for its Cement business*” and Company Announcement no. 2-2024 titled “*Preliminary and unaudited results for FY2023 in line with guidance and FY2024 financial guidance is introduced. Annual cost synergies from the Mining Technologies acquisition raised to around DKK 600m*”.

### **Presentation**

The presentation will take place on 30 January 2024 at 08:00 CET. Mr. Mikko Keto (Group CEO) and Mr. Roland M. Andersen (Group CFO) will comment on the announcements. The presentation will be followed by a short Q&A session. The presentation will be held in English.

### **Live audio webcast**

The presentation can be followed live or as a replay [here](#).

### **Conference call**

If you wish to ask questions or just listen to the presentation via telephone, please register [here](#). After registration, you will receive phone numbers, pin codes and a calendar invite. Please note that you will receive two codes (a pass code and a PIN code), both of which are needed when dialling into the webcast.

### **Presentation slides**

The presentation slides will be made available shortly before the scheduled start of the conference call at [www.flsmidth.com/reports-and-presentations](http://www.flsmidth.com/reports-and-presentations).

### **About FLSmidth**

*FLSmidth is a full flowsheet technology and service supplier to the global mining and cement industries. We enable our customers to improve performance, lower operating costs and reduce environmental impact. MissionZero is our sustainability ambition towards zero emissions in mining and cement by 2030. We work within fully validated Science-Based Targets, have a clear commitment to reducing the sustainability footprint of the global mining and cement industries and aim to become carbon neutral in our own operations by 2030.*
