

Jean-Pierre Blumberg, chairman of the supervisory board of Interinvest Offices & Warehouses, passed away.

He lost after one and a half year a courageous fight against a long illness.

Interinvest Offices & Warehouses (hereinafter Interinvest) says farewell to a great man. Jean-Pierre Blumberg was, as a business lawyer of reputation involved with a lot of initial public offerings, mergers and acquisitions in the Belgian business world. He spread knowledge also as professor at various universities. During a long period Interinvest had the privilege to appeal to his professional experience and his typical, calm manner of consultation in all circumstances. Also during this particular difficult situation, he continued to assist the company with advice and action.

He was already an independent director in 2001 and was since 2016 also chairman of the board of directors (i.c. supervisory board) of Interinvest.

He will be missed by many, not at least by his family and relatives.

The supervisory board, the management and staff of Interinvest offer their sincere condolences.
