APPENDIX: DESCRIPTION OF THE SHARE BUYBACK PROGRAMME

The present description complies with the provisions of article 241-2, I of the General Regulation of the French Financial Markets Authority (Autorité des Marchés Financiers).

Date of the general meeting which approved the resolution concerning the share buyback programme
May 16th, 2023

Objectives pursued by BNP PARIBAS

In accordance with the fifth resolution approved by the combined General Meeting on May 16th, 2023, the shares may be purchased for the purposes of:

- their cancellation in situations identified by the Extraordinary General Meeting;
- honoring the obligations linked to the issuance of equity instruments, stock option plans, bonus share awards, the allotment or selling of shares to employees as part of a profit-sharing scheme, employee shareholding or Corporate Savings Plans, or any other type of share grant for employees and directors and corporate officers of BNP Paribas and of the companies controlled exclusively by BNP Paribas within the meaning of article L.223-16 of the French Commercial Code;
- holding and subsequently remitting them in exchange or as payment for external growth transactions, mergers, spin-offs or asset contributions;
- under a market-making agreement in accordance with Decision No. 2021-01 of 22 June 2021 of the French Financial Markets Authority (Autorité des Marchés Financiers);
- carrying out investment services for which BNP Paribas has been approved or to hedge them.

Maximum amount allocated to the share buyback programme, maximum number of shares to be purchased

The General Meeting has authorised the Board of Directors to purchase a number of shares representing up to 10% of the shares comprising the share capital of BNP Paribas, or, for illustrative purposes, as of December 14th, 2021, the date on which the share capital was last recorded, a maximum of 123,433,164 shares. Based on a maximum repurchase price of EUR 89 per share, set by the fifth resolution approved by the General Meeting dated May 16th, 2023, this number of shares represents a theoretical maximum purchase amount of EUR 10,985,511,596. Such limit is likely to change in case of transactions affecting the share capital.

The shares which may be purchased under the present description are BNP Paribas' shares listed on Euronext Paris – A compartment, ISIN Code FR0000131104.

Considering that BNP Paribas owned as of May 11th, 2023 directly 15,145,171 of its own shares, i.e. 1.23% of its share capital, the number of shares that is likely to be purchased at the date of this description is 108,287,993 shares representing 8.77% of the share capital, i.e., on the basis of a maximum purchase price of EUR 89 per share as set by the General Meeting, a theoretical maximum purchase amount of EUR 9,637,631,377.

Duration of the share buyback programme

The authorisation granted by the General Meeting dated May 16th, 2023, as described in the fifth resolution, is valid for an eighteen-month period with effect from the date of the said General Meeting, i.e. up to November 16th, 2024.
