Nyxoah to Participate in the Oppenheimer 35th Annual Healthcare MedTech & Services Conference

Mont-Saint-Guibert, Belgium – March 3, 2025, 10:30pm CET / 4:30pm ET – Nyxoah SA (Euronext Brussels/Nasdaq: NYXH) ("Nyxoah" or the "Company"), that develops breakthrough treatment alternatives for Obstructive Sleep Apnea (OSA) through neuromodulation, today announced that the Company will participate in the Oppenheimer 35th Annual Healthcare MedTech & Services Conference, which takes place March 17 – 20, 2025.

Olivier Taelman, Nyxoah's Chief Executive Officer, will deliver a corporate presentation on Monday, March 17, 2025, at 8:40am ET. A webcast of the presentation will be available in the Events section of Nyxoah's Investor Relations website. The Company will be available for 1x1 meetings with institutional investors.

Nyxoah's Investor Presentation can be accessed on the Shareholder Information section of the Company's Investor Relations page.

About Nyxoah
Nyxoah is reinventing sleep for the billion people that suffer from obstructive sleep apnea (OSA). We are a medical technology company that develops breakthrough treatment alternatives for OSA through neuromodulation. Our first innovation is Genio®, a battery-free hypoglossal neuromodulation device that is inserted through a single incision under the chin and controlled by a wearable. Through our commitment to innovation and clinical evidence, we have shown best-in-class outcomes for reducing OSA burden.

Following the successful completion of the BLAST OSA study, the Genio® system received its European CE Mark in 2019. Nyxoah completed two successful IPOs: on Euronext Brussels in September 2020 and NASDAQ in July 2021. Following the positive outcomes of the BETTER SLEEP study, Nyxoah received CE mark approval for the expansion of its therapeutic indications to Complete Concentric Collapse (CCC) patients, currently contraindicated in competitors' therapy. Additionally, the Company announced positive outcomes from the DREAM IDE pivotal study for FDA and U.S. commercialization approval.
