

## Eurobio Scientific completes the acquisition of Life Science unit of Voden Medical Instruments Spa in Italy

Paris, July 1st, 2025

**Eurobio Scientific** (FR0013240934, ALERS), (FR0013240934, ALERS, PEA-PME eligible), a leading French group in in vitro specialty medical diagnostics and life sciences, today announces the completion of the acquisition of the assets of the Life Science unit of Voden Medical Instruments Spa<sup>1</sup>. The unit focuses on diagnostics, cellular and molecular biology as well as genome analysis and distributes our GenDx line of products in Italy. Payment will be made entirely in cash, financed with both the Group's cash and through a bank loan.

This acquisitions will allow Eurobio Scientific to reinforce its operations in Italy and commercially integrate the distribution of its proprietary products.

---

### About Eurobio Scientific

Eurobio Scientific is a key player in the field of specialty in vitro diagnostics. It is involved from research to manufacturing and commercialization of diagnostic tests in the fields of transplantation, immunology and infectious diseases, and sells instruments and products for research laboratories, including biotechnology and pharmaceutical companies. Through many partnerships and a strong presence in hospitals, Eurobio Scientific has established its own distribution network and a portfolio of proprietary products in the molecular biology field. The Group has approximately 290 employees and four production units based in the Paris region, in Germany, in the Netherlands and in the United States, and several affiliates based in Dorking UK, Sissach Switzerland, Bünde Germany, Antwerp Belgium, Utrecht in The Netherlands and Milan in Italy.

Eurobio Scientific's reference shareholder is the EurobioNext holding company which brings together its two directors, Jean-Michel Carle and Denis Fortier, alongside the "Pépites et Territoires" by AXA & NextStage AM investment program, managed by NextStage AM.
