

**CORPORATE GOVERNANCE STATEMENT OF DIGITALIST
GROUP PLC 2023**

CORPORATE GOVERNANCE STATEMENT

I INTRODUCTION

In the course of 2023, Digitalist Group Plc (hereinafter also “Digitalist Group” or “Company”) complied to full extent with the Governance Code 2020 for Finnish listed companies (“Finnish Corporate Governance Code 2020”), which was adopted by the Securities Market Association on 19.9.2019 and entered into force on 1.1.2020. The Finnish Corporate Governance Code 2020 is available on the website of the Securities Market Association at the address www.cg.finland.fi.

This statement on the issuer’s corporate governance (Corporate Governance Statement), referred to in the Securities Markets Act, Chapter 7, §7, has been drawn up in accordance with the Finnish Corporate Governance Code 2020. The Corporate Governance Statement is issued separately from the Annual Report of the Board of Directors.

The Board of Directors of Digitalist Group has approved this Corporate Governance Statement.

The Annual General Meeting of Digitalist Group adopted the Company’s remuneration policy on 14.4.2020. The policy is available on the Company’s website. The Company will publish a separate remuneration report for the financial year 2023.

II DESCRIPTIONS CONCERNING CORPORATE GOVERNANCE

Management structure of Digitalist Group

Digitalist Group Plc is a public limited company registered in Finland and domiciled in Helsinki. The Digitalist Group consists of the parent company Digitalist Group Plc and its Finnish and foreign subsidiaries.

Digitalist Group is governed in compliance with the Finnish Limited Liability Companies Act (624/2006 as amended), the Securities Markets Act (746/2012 as amended), the Market Abuse Regulation (EU) No 596/2014 (MAR), the rules and regulations issued by Nasdaq Helsinki Ltd for listed companies, and the Articles of Association of Digitalist Group Plc. In addition, the Company observes in its governance the Finnish Corporate Governance Code 2020 for the part of the recommendations which entered into force on 1.1.2020.

The management of Digitalist Group is the responsibility of the General Meeting, the Board of Directors and the Chief Executive Officer of Digitalist Group Plc, whose duties are determined in accordance with the Finnish Limited Liability Companies Act. Internal control is the responsibility of the Company’s top management, external control is the

responsibility of the auditors. Business operations are the responsibility of the Chief Executive Officer. The managing director of each subsidiary is responsible for subsidiary's business operations.

Annual General Meeting and Articles of Association

The highest decision-making body of Digitalist Group Plc is the General Meeting, at which the shareholders exercise their right to speak and vote on matters concerning the Company. The General Meeting, *inter alia*, adopts the profit and loss account and balance sheet and decides on the distribution of profits on the basis of the proposal of the Board of Directors. The General Meeting also elects the members of the Board of Directors and the auditor and decides on the releasing of the members of the Board of Directors and the Chief Executive Officer from liability.

The Annual General Meeting is held annually within six months of the end of the accounting period on a date determined by the Board of Directors.

In 2023, the Annual General Meeting was held on 26.4.2023. The Annual General Meeting of Digitalist Group in 2024 will be held on 25.4.2024.

According to the Articles of Association of Digitalist Group Plc, the notice of the General Meeting shall be published on the Company's website at most three months and at least three weeks prior to the General Meeting, however, always at least nine days prior to the date of record of the General Meeting. A notice of the General Meeting is always also published in a stock exchange release. The notice of a General Meeting indicates the matters to be considered at the Annual General Meeting.

The notice of the meeting and other documents relating to the General Meeting, such as the Board of Directors' decision proposals and the Annual Report, are on view on the website of Digitalist Group Plc at the latest three weeks prior to the Annual General Meeting.

Digital Group Plc's Articles of Association are available on the Company's website at the address <https://investor.digitalistgroup.com/fi/investor/governance>. In accordance with the Limited Liability Companies Act, any amendments to the Articles of Association shall be decided on by the shareholders in a General Meeting.

Composition and operations of the Board of Directors

The Board of Directors represents all shareholders and looks fairly after the shareholders' common interest. According to the Articles of Association, the Board of Directors of Digitalist Group Plc shall comprise no less than five and no more than nine full members. The General Meeting elects the members of the Board of Directors for one term of office at a time. The term of office of the members of the Board of Directors always ends at the

close of the first Annual General Meeting following the election. A new member of the Board of Directors is initiated into the Company's operation.

The Board of Directors elects from among its members the Chair and the Deputy Chair, and constitutes a quorum when more than half of its members are present. The Board of Directors defines among itself the special areas of the members of the Board of Directors, but the entire Board of Directors participates in decision-making and consideration of matters.

In the composition of the Board of Directors of Digitalist Group Plc, the requirements set by the Company's operation, the Company's stage of development, and gender balance have been taken into account. The aim is that both genders are represented on the Board of Directors. In accounting period 2023, the aim of representation by both genders has been achieved. The principles of diversity of the Board of Directors shall be taken into account in plans concerning the successors of members of the Company's Board of Directors.

The Company's administration and proper arrangement of its operation are the responsibility of the Board of Directors. The Board of Directors decides on the Company's business concept, vision, main aims, and the strategy created for their implementation. In addition, the Board of Directors decides on the budgets and action plans drawn up for the implementation of the strategy, on the principles of risk management, on the remuneration system for the management and the personnel, on company acquisitions and asset deals, and on other matters which have a far-reaching effect on the Company. The Board of Directors decides on the Company's organization on the basis of the Chief Executive Officer's proposal.

The main duties and operating principles of the Board of Directors are defined in writing in the Rules of Procedure. The Rules of Procedure of the Board of Directors are on view on the Company's Internet site at the address <https://investor.digitalistgroup.com/fi/investor/governance/board-of-directors>.

The Board of Directors assembles for regular meetings according to its Rules of Procedure. In addition to the regular meetings, the Board of Directors holds extraordinary meetings, if necessary. A meeting of the Board of Directors can also be held as a telephone, email or video meeting.

The Board of Directors assesses its operation and working methods annually. The assessment is carried out as an internal self-assessment.

The Chief Executive Officer of Digitalist Group Plc attends the meetings of the Board of Directors as a presenter, and the Chief Financial Officer or other financial administration employee in the capacity of the secretary of the Board of Directors. In addition to these, the Board of Directors also invites other representatives of the management to its meetings, if necessary.

Biographical details of the Board members

The Annual General Meeting of Digitalist Group elected, on 26.4.2023, six full members to the Company's Board of Directors for a term of office ending at the close of the next Annual General Meeting to be held in 2024. Paul Ehrnrooth, Andreas Rosenlew, Esa Matikainen, Peter Eriksson, Maria Olofsson and Johan Almquist were re-elected to the Board of Directors. The Board of Directors elected from among its members Esa Matikainen as Chair and Andreas Rosenlew as Deputy Chair.

Other board memberships

2018– Fanzingo, Deputy Chair of the Board

The Board of Directors of Digitalist Group Plc has assessed the independence of the Board members on the following grounds.

The Company deviates from recommendation 10 (“Recommendation 10 – Independence of Directors”) of the Governance Code 2020 as follows:

A higher-than-recommended number of members who are dependent on the Company have been elected to the Board of Directors. This has been considered to be important in the current operating environment because an in-depth understanding of the Company and its business enables fast decision-making to develop the Company's operations, profitability and balance sheet.

- Of the Board members, Andreas Rosenlew and Johan Almquist are dependent on the Company.
 - Andreas Rosenlew was employed by the Company until 6/2022 and after that in an assignment relationship.
 - Johan Almquist was employed by the Company until 10/2021.
- Of the Board members, Paul Ehrnrooth and Peter Eriksson are dependent on the Company's major shareholder.
 - Turret Oy Ab, a company controlled by Paul Ehrnrooth, is the Company's largest shareholder. Paul Ehrnrooth also acts as the Chief Executive Officer and Chair of the Board of Turret Oy Ab.
 - Peter Eriksson is a member of the Board of Directors of Turret Oy Ab.
- Esa Matikainen and Maria Olofsson are independent members of the Board. Maria Olofsson's assignment relationship to the Company ended over three years ago.

Digitalist Group Plc's shares and shareholders' rights held by the members of the Board of Directors

III DESCRIPTIONS OF INTERNAL CONTROL PROCEDURES AND THE MAIN FEATURES OF RISK MANAGEMENT SYSTEMS

Description of risk management

The objective of Digitalist Group's risk management is to ensure undisturbed continuity and development of the Company's operations as well as to support the implementation of the Company's business objectives and the increase of the Company's value.

Risk management is part of all the Company's core processes, extending from the Board of Directors' strategy process to customer-specific service production and the Company's quality management system. Planning, development, guidance and supervision of risk management, as well as the development of methods and processes used in risk management, are the responsibility of the Chief Financial Officer. The different units of the Group are responsible for identifying, assessing and preventing risks related to their own operations in compliance with the risk management system. Risk management has been implemented to be part of the units' normal business planning and monitoring systems as well as the Company's management systems.

The Board of Directors oversees the fulfilment of the Company's risk management policy as part of the strategy, business planning and budgeting processes. The Board of Directors always addresses significant business risks.

In operational activities, the Group's Chief Financial Officer oversees that risk management has been efficiently organized and that its functioning is guaranteed. The Chief Financial Officer is responsible for developing risk management, reporting and approving the necessary measures. The Chief Financial Officer assesses the results of ad hoc reporting and approves the necessary measures. The Chief Financial Officer presents the Company's risk situation to the Board of Directors. The most substantial risks and uncertainties are described in the financial statements as well as in the interim financial reports. The Company's CEO has been responsible for performing the duties of the CFO.

Description of internal control

The business control and supervision of Digitalist Group take place in accordance with the administration and management system described above. The Board of Directors is responsible for ensuring that the supervision of accounting and financial management is organized accordingly. The Chief Executive Officer ensures that the Company's

accounting is in accordance with the law and that the financial management is arranged in a reliable manner.

The Chief Executive Officer and subsidiaries' managing directors are responsible for ensuring that the administration of their respective areas of responsibility is in accordance with the law, the Group's policies and the guidelines and regulations of the Board of Directors of Digitalist Group.

In Digitalist Group, the supervision of the administration and accounting of the operational units is the responsibility of the Group's Finance Department. The Group's Finance Department produces centralized financial statements required by external accounting, as well as managerial accounting analyses and performance reports for monitoring the profitability of business activities. The Group's internal control practices aim to ensure the correctness of the Group's financial reporting. Business activities and financial management are monitored by means of the reporting entity described above.

Digitalist Group has a unified consolidation financial reporting system. Reporting practices follow the implementation of the action plans and targets. In order to ensure the coherence of reporting practices, the Group's financial administration has created a uniform groups COA for the Group, various instructions for reporting and financial monitoring at Group level and training for staff in their application.

IV OTHER INFORMATION TO BE PROVIDED IN THE CG STATEMENT

Insider administration

The Board of Directors of Digitalist Group has confirmed the Insider Guidelines for the Digitalist Group. The Insider Guidelines supplement the applicable regulations in force at any given time on the management and processing of insider information in accordance with the Market Abuse Regulation (EU) No 596/2014 (MAR), Chapter 51 of the Criminal Code, Chapter 15 of the Securities Markets Act, the Finnish Financial Supervisory Authority's regulations and Nasdaq Helsinki Ltd's Insider Guidelines.

All persons who have access to inside information concerning the Company and who are working for them under a contract of employment, or otherwise performing tasks through which they have access to inside information concerning the Company, such as advisers, are recorded as the Company's insiders.

A separate list called Permanent Insiders is maintained within the Company. The supplement of the Permanent Insiders list contains information only on such persons who have continuous access to all inside information within the Company. The Company's permanent insiders include members of the Management Team and legal advisers.

The Company maintains separate project-specific lists of insiders. Each part of a project-specific list of insiders only contains the details of such persons who have access to specific inside information of the project.

Digitalist Group Plc has set up a list named Management Members with Notification Obligation (Article 19 MAR) for the Company's Board of Directors, Management Team and advisers as well as their closely associated persons.

The company's internal, company-specific permanent list of Recipients of financial information includes persons who, based on their position or duties, regularly receive insider information.

The Digitalist Group trains and informs Permanent Insiders, Management Members with Notification obligation, Recipients of financial information and project-specific insiders in such a way that they recognize their position and its importance. As concerns persons included in the register of Digitalist Group Plc Management Members with Notification Obligation and in the Permanent Insiders register, the Company's Insider Guidelines set a 30-day silent window prior to the publication of the interim report or the financial statements. During the silent window, trading in the Company's financial instruments on one's own account or on behalf of a third party, directly or indirectly, is prohibited.

The Chief Financial Officer of the Digitalist Group is responsible for insider issues. The Insider Guidelines of Digitalist Group Plc are available on the company's website at the address <https://investor.digitalistgroup.com/fi/investor/governance/insiders>

Whistle-blowing

In connection with the entry into force of the Market Abuse Regulation (EU) No 596/2014 (MAR), Digitalist Group introduced an internal system available for all employees for reporting any detected violations of internal or external standards and regulations (so called whistle-blowing). All such notifications will be investigated as a matter of urgency and confidentiality while protecting the identity of the notifier as far as possible. For the purposes of reporting misuse of insider information, the staff of Digitalist Group have access to the e-mail address of the attorney's offices whistleblowing.digitalistgroup@eversheds.fi.

Auditors

Digitalist Group's auditor is KPMG Ltd, Authorized Public Accountants, with M.Sc. (Econ.) Miika Karkulahti, an authorized public accountant, as the principal auditor. According to the decision of the Annual General Meeting held on 26.4.2023, the auditor is paid a fee in accordance with a reasonable invoice presented for the audit work. During the accounting period 2023, the auditor was paid a total of KEUR 138 for auditing services and a total of KEUR 9 for non-audit services.

The external auditors of Digitalist Group audit the accounting and administration of the parent company and subsidiaries as part of the annual audit assignment.

The requirements of internal control have been taken into account in the audit plans of the auditors. The auditors present their report annually to the Annual General Meeting of Digitalist Group. In addition, the auditors report the main elements of the annual audit plan to the Board of Directors and report their audit findings verbally or in writing through interim financial reports.

Internal auditing

The coordination of the Company's internal auditing is the responsibility of the Board of Directors as part of internal control. Internal auditing is the responsibility of the Group's financial administration and the financial administration carries out internal auditing in addition to its regular duties.

If necessary, the financial management may use external assistance from outside the Group for individual audit cases.

Internal audit findings are reported to the financial management which reports the findings to the Company's Board of Directors. An internal audit plan is drawn up annually in co-operation with the Company's auditors.

Principles concerning related party transactions

Digitalist Group complies with the provisions of the Securities Markets Act and Limited Liability Companies Act, the recommendations of the Finnish Corporate Governance Code 2020 and the rules of Nasdaq Helsinki Ltd stock exchange concerning related party transactions. The Board of Directors of the Company has adopted the Guidelines on Related Party Transactions to be observed in the business operations of Digitalist Group. The purpose of the Related Party Guidelines is also to help the Company and its management to identify related parties, recognize potential related party transactions and conflicts of interest and to provide instructions on the approval, monitoring and disclosure of related party transactions.

The Company prepares and maintains an up-to-date list of parties related to it and monitors related party transactions regularly through questionnaires sent out to the related parties. The monitoring, assessment and control of related party transactions are a part of the Company's internal control. The Board of Directors is responsible for the control, assessment and co-ordination of auditing of related party transactions. The monitoring of related party transactions is the responsibility of Digitalist Group's financial administration, and the financial administration led by the Chief Financial Officer performs the monitoring and control alongside their other duties. The results of the monitoring of related party transactions are regularly reported to the Board of Directors.

The Company assesses and monitors transactions with its related parties and ensures that any conflicts of interest are appropriately taken into account in related party transactions and that decision-making, disclosure, monitoring and reporting observe the Company's valid guidelines on related party transactions and legislation and provisions concerning related party transactions.

Digitalist Group may conclude transactions forming part of the Company's regular business activities with related parties on normal market terms, observing the decision-making process set out in the Company's internal instructions. Related party transactions which do not form part of the Company's regular business activities or which are not conducted on normal market terms will be decided on by the Board of Directors of Digitalist Group, observing rules for conflicts of interest.

The Company provides regular reports on related party transactions annually in its financial statements. Any related party transactions which are significant for the shareholder, which do not form part of the Company's regular business activities and which are not conducted on normal market terms will be disclosed in accordance with the Securities Markets Act and the rules of the Nasdaq Helsinki Ltd stock exchange.
