ABOUT VAST RESOURCES PLC

Vast Resources plc, is a United Kingdom AIM listed mining company with mines and projects in Romania and Zimbabwe

In Romania, the Company is focused on the rapid advancement of high quality projects by recommencing production at previously producing mines.

The Company's Romanian portfolio includes an 80% interest in the Baita Plai Polymetallic Mine. Baita Plai is located in the Apuseni Mountains, Transylvania, an area which hosts Romania's largest polymetallic mines. Work is now currently underway towards first concentrate production as well as efforts in place to establish a maiden Resource under the JORC code.

The Company also owns the Manaila Polymetallic Mine in Romania, which was commissioned in 2015, currently on care and maintenance. The Company has been granted the Manaila Carlibaba Extended Exploitation License that will allow the Company to re-examine the exploitation of the mineral resources within the larger Manaila Carlibaba license area

In Zimbabwe, the Company is focused on the commencement of the joint venture mining agreement on the Chiadzwa Community Concession Block of the Chiadzwa Diamond Fields in Zimbabwe.
