LEADING EDGE MATERIALS TERMINATES LIQUIDITY PROVIDER AGREEMENT WITH LAGO KAPITAL OY

Stockholm, September 13, 2022 – Leading Edge Materials Corp. (“Leading Edge Materials” or the “Company”) (TSXV: LEM) (Nasdaq First North: LEMSE) (OTCQB: LEMIF) (FRA: 7FL) has terminated the liquidity providing agreement with Lago Kapital Oy (“Lago Kapital”) ending on October 31, 2022.

Lago Kapital was appointed liquidity provider starting December 1, 2020, with the intention to promote liquidity in the Company’s shares listed on Nasdaq First North Stockholm. Since the appointment, trading volume and number of shareholders has increased significantly for the Swedish listing and the Company has hence evaluated that there is no further need for these services.

**On behalf of the Board of Directors,
Leading Edge Materials Corp.**

About Leading Edge Materials

Leading Edge Materials is a Canadian public company focused on developing a portfolio of critical raw material projects located in the European Union. Critical raw materials are determined as such by the European Union based on their economic importance and supply risk. They are directly linked to high growth technologies such as batteries for electromobility and energy storage and permanent magnets for electric motors and wind power that underpin the clean energy transition towards climate neutrality. The portfolio of projects includes the 100% owned Woxna Graphite mine (Sweden), Norra Karr HREE project (Sweden) and the 51% owned Bihor Sud Nickel Cobalt exploration alliance (Romania).
