BIGBEN ANNOUNCES THE REVOLUTION PRO CONTROLLER 3 FOR PLAYSTATION®4

*A new officially licensed controller for PlayStation®4
is coming in October under the NACON brand*

Lesquin (France), September 17th 2019 – BIGBEN INTERACTIVE, a leading designer and distributor of gaming accessories, is pleased to announce the upcoming release of the **REVOLUTION Pro Controller 3**, a new wired controller made for eSports on **PlayStation®4 (PS4™) under the NACON™ brand**, and licensed by Sony Interactive Entertainment (SIE) for sale across Europe, South Africa, Australia, New Zealand, Middle East and India.

“With this new REVOLUTION, NACON is taking up a significant challenge: to offer the most comprehensive range of officially licensed controllers currently available on the market” declares Yannick Allaert, Head of Development at NACON. *“The confidence that Sony Interactive Entertainment keeps placing in us is a true honour, allowing us to meet the needs of competitive gamers on PS4”*.

Along with NACON’s line of licensed peripherals for PS4™, the **REVOLUTION Pro Controller** offers a range of features which improve the comfort and performance to satisfy the most competitive gamers. Equipped with a 3-meter detachable cable, gamers will enjoy the REVOLUTION’s signature ergonomics, including an asymmetrical layout of the sticks, enlarged actions buttons, shoulder buttons and triggers, and two weight compartments for a customisable experience.
