
PRESS RELEASE

GENFIT Annual Combined General Meeting of June 15, 2021 - Availability of Preparatory Documents

Lille, France; Cambridge, MA; May 10, 2021 - GENFIT (Nasdaq and Euronext: GNFT), a late-stage biopharmaceutical company dedicated to improving the lives of patients with metabolic and liver diseases (the **"Company"**), today announced that it published in the May 10, 2021 French legal announcements bulletin n°56 (*Bulletin des Annonces Légales Obligatoires*) its convening notice that the Combined Shareholders Meeting will be held on June 15, 2021, at 2:30pm, at the Company's headquarters, located at Parc Eurasanté, 885 avenue Eugène Avinée in Loos (59120), France.

Due to the ongoing COVID-19 pandemic and in accordance with emergency measures imposed by the French government, the Board of Directors of the Company has decided that the Combined General Meeting will be conducted behind closed doors at the Company's headquarters located at Parc Eurasanté, 885 Avenue Eugène Avinée, Loos (59120), France, without the physical presence of shareholders and others who are usually entitled to attend.

The convening notice published in the May 10, 2021 French legal announcements bulletin n°56 (*Bulletin des Annonces Légales Obligatoires*) and available in the Investors & Media section of the Company's website (<https://ir.genfit.com/financial-information/shareholders-meeting>) outlines the procedures by which shareholders may participate in the Meeting notwithstanding the exceptional measures required in order to comply with regulatory constraints and ensure the health and safety of our shareholders.

Shareholders may provide their voting instructions via the Internet through the VOTACCESS platform. A tutorial to familiarize shareholders with this online voting platform will be available in the same section of the website, as well as a toll-free (France only) number to call with any questions regarding how to participate in the Meeting.

Documentation regarding the Meeting will be available to shareholders in accordance with existing regulations, and available on the Company's website, in the Investors & Media section (<https://ir.genfit.com/financial-information/shareholders-meeting>).

receptor-based drug discovery, with a rich history and strong scientific heritage spanning more than two decades. GENFIT is currently enrolling in ELATIVE™, a Phase 3 clinical trial evaluating elafibranor in patients with Primary Biliary Cholangitis (PBC). Elafibranor is an investigational compound that has not been reviewed and has not received approval by any regulatory authority. As part of GENFIT's comprehensive approach to clinical management of patients with liver disease, the Company is also developing NIS4®, a new, non-invasive blood-based diagnostic technology which could enable easier identification of patients with at-risk NASH. NIS4® technology has been licensed to LabCorp® in the U.S. and Canada for the development and commercialization of a blood-based molecular diagnostic test powered by NIS4® technology. GENFIT has facilities in Lille and Paris, France, and Cambridge, MA, USA. GENFIT is a publicly traded company listed on the Nasdaq Global Select Market and on compartment B of Euronext's regulated market in Paris (Nasdaq and Euronext: GNFT). www.genfit.com
