LUMIBIRD SELECTED AMONG EURONEXT'S TECH LEADERS

LUMIBIRD, the European leader for laser technologies, has been selected by Euronext as one of 108 technology companies joining its new *Tech Leaders* program. The program complements Euronext's existing Tech offer and aims to strengthen the European Tech sector and be a catalyst for the next generation of Tech leaders

The new *Tech Leaders* have been selected from among 700 tech companies listed on Euronext markets, based on criteria of technological leadership, market capitalisation and growth. They will benefit from dedicated services offered by Euronext and its partners. The companies in the program will be included in Euronext's new "Tech Leaders" index and will benefit from greater visibility in the international financial community. They will also have access to a series of exclusive events and a follow-up aimed at strengthening the stock's liquidity among retail investors.

"Lumibird is proud to be part of Euronext Tech Leaders, the new initiative dedicated to high-growth and leading Tech companies."; declares Marc Le Flohic, CEO of Lumibird. *"This recognition validates the progress made by our teams in all our areas of business and further supports an already remarkable stock market track record"*.
