Iveco Group announces Veronica Quercia as its new Chief Human Resources Officer

**PRESS
RELEASE**

Turin, 20th May 2024. Iveco Group N.V. (EXM: IVG) today announces that Veronica Quercia will assume the role of Chief Human Resources Officer (CHRO) as of 1st July 2024, succeeding Francesco Tutino who will leave the Company the 31st of May, as previously announced. Ms Quercia will be a member of the Senior Leadership Team (SLT) and will report directly to the CEO of Iveco Group.

Ms Quercia rejoins the Group bringing with her extensive expertise in the human capital field acquired over the 20 years she spent in IVECO and CNH Industrial and, more recently, as Chief People Officer at a global technology leader in the electronic market. During her career she has covered a wide range of roles in Human Resources, serving as a Business Partner for various industrial and commercial businesses and Head of HR Centres of Expertise for talent development and organisation development, until assuming the position of HR leader at a multinational company.

Iveco Group N.V. (EXM: IVG) is the home of unique people and brands that power your business and mission to advance a more sustainable society. The eight brands are each a major force in its specific business: IVECO, a pioneering commercial vehicles brand that designs, manufactures, and markets heavy, medium, and light-duty trucks; FPT Industrial, a global leader in a vast array of advanced powertrain technologies in the agriculture, construction, marine, power generation, and commercial vehicles sectors; IVECO BUS and HEULIEZ, mass-transit and premium bus and coach brands; IDV, for highly specialised defence and civil protection equipment; ASTRA, a leader in large-scale heavy-duty quarry and construction vehicles; MAGIRUS, the industry-reputed firefighting vehicle and equipment manufacturer; and IVECO CAPITAL, the financing arm which supports them all. Iveco Group employs more than 36,000 people around the world and has 20 industrial sites and 31 R&D centres. Further information is available on the Company's website www.ivecogroup.com
