PRESS RELEASE

Last trading day Boskalis shares

Papendrecht, 8 November 2022

Royal Boskalis Westminster N.V. (Boskalis) announces that today marked the last trading day of Boskalis shares on Euronext Amsterdam. The delisting is the outcome of a successful public offer and follows a public listing of more than half a century.

Boskalis will continue as a private company and its focus as a dredging and marine expert will remain unchanged on the successful execution of its strategy that concentrates on constructing innovative infrastructure, facilitating the energy transition and protecting people and nature from the effects of climate change.

Royal Boskalis Westminster N.V. is a leading global services provider operating in the dredging, maritime infrastructure and maritime services sectors. The company provides creative and innovative all-round solutions to infrastructural challenges in the maritime, coastal and delta regions of the world. With core activities such as coastal defense, riverbank protection and land reclamation Boskalis is able to provide adaptive and mitigating solutions to combat the effects of climate change, such as extreme weather conditions and rising sea levels, as well as delivering solutions for the increasing need for space in coastal and delta regions across the world. The company facilitates the development of offshore energy infrastructure, including renewable wind energy. Boskalis is furthermore active in the construction and maintenance of ports, waterways, access channels and civil infrastructure, thus helping to facilitate trade flows and regional socio-economic development. In addition, Boskalis is a global marine salvage expert and has a strategic partnership in terminal services (Smit Lamnalco). With a versatile fleet of more than 500 vessels and floating equipment and approximately 10,000 employees, including associates, Boskalis is creating new horizons around the world.
